Puppetry is an ancient form of theatre and entertainment practised mostly in rural India. It's is, in fact , a combination of several art forms like sculpture, painting , designing , acting , writing and music. It is an art which enchants children as well as adults.

A large variety of raw materials are used to crate puppets. The famous puppets of Rajasthan are made out of wood and are known as *kathputli*. Leather , papier- mâché, and stuffed cloth are also frequently used to make puppets.

Puppets may be classified according to the material they are made from or the methods of manipulating them, that is , the means used by the puppeteer to make the puppets move, for example , hand puppets , string puppets, rod puppets and shadow theatre. In India, puppets are regarded as divine and held in reverence by the puppeteer. After they become old and worn out , they are not discarded but kept at home like aging relatives. The stories enacted by the puppets are influenced by the epics- *Ramayana and Mahabharata*, the *panchatantra* stories and glorious tales of past warriors and heroes.
