

## **Affidavit Letter of Support**

My name is Alex Johnson, and I reside at 123 Maple Street, Albany, NY 12207, USA. I am writing this affidavit to express my full support for Jordan Smith in their immigration application.

I have known Jordan Smith for over eight years, during which time we have developed a close friendship. I can attest to Jordan's outstanding character, work ethic, and commitment to the well-being of others. Jordan has consistently demonstrated qualities such as integrity, reliability, and compassion, which make them an invaluable member of our community.

Jordan has been actively involved in various community initiatives, including volunteering at the local community center, organizing neighborhood events, and leading a youth mentorship program. These activities have not only benefited many individuals but also strengthened the bonds within our community. Jordan's contributions reflect their dedication to making a positive difference, and I firmly believe that they will continue to contribute significantly if given the opportunity to reside in the United States.

As someone who knows Jordan personally, I can confidently state that they are a person of great moral character and strong values. They are always willing to assist others and have been a source of support to many, including myself. Jordan's work with vulnerable members of the community, such as assisting the elderly and mentoring young people, is a testament to their dedication to helping others.

I fully support Jordan Smith's immigration application and believe that they will be a valuable asset to the community and to the country as a whole. I declare that the statements in this affidavit are true to the best of my knowledge and belief.

If any additional information is required, please do not hesitate to contact me at the provided phone number or email address. I am prepared to provide further testimony in support of Jordan Smith if necessary.

I am confident that Jordan Smith will be an asset to our community and to the country as a whole. I declare under penalty of perjury that the statements made in this affidavit are true and correct to the best of my knowledge and belief, as of this 30th day of April, 2095.

Alex Johnson

## **Sample Letter Of Support For Parents:**

*Implementing Positive Behavior Support Systems in Early Childhood and Elementary Settings* Melissa Stormont, 2008  
The book's strengths are its practical information and the specific ways of looking at expectations and developing a common language. The forms included will be of great benefit to school teams. Susan Safarik, Supervisor, Department of Special Education, Lincoln Public Schools, NE. Provides a lot of research and breaks down the processes for implementing positive behavior supports effectively in schools. Step by step directions, sample forms, and examples make the processes easy to incorporate and understand. Julia DeGarmo, Special Education Specialist, Columbus City Schools, OH. Learn how to teach and support appropriate behavior and build confidence in young children. This easy to read resource presents the Programwide Schoolwide Positive Behavioral Support (PW-SWPBS) system, a preventive research-based approach that helps educators teach classroom behavior skills the same way they teach academic skills. The authors outline the PW-SWPBS model, describe the core practices, and provide case examples to aid implementation. Key features of this instruction-based system include: Differing levels of intervention to meet individual student needs; Clearly stated behavioral expectations; Consistent acknowledgment of students' mastery of expectations; Systematic use of consequences for problem behavior. This user-friendly text makes the principles of PW-SWPBS easy to apply for educators who are committed to helping young students establish positive behavioral habits that will make learning a joy for all.

**Getting Parents on Board** Alisa Hindin, Mary Mueller, 2016-02-05. Learn how to work more effectively with K-5 parents to increase student achievement in math and literacy. Research shows that parent involvement in schools leads to higher test scores and more engaged and enthusiastic students, but it isn't always easy for teachers to bridge the gap between the home and the school. This insightful book provides helpful research-based strategies to foster meaningful home-school partnerships and overcome the challenges teachers often face when trying to build relationships with parents. You'll learn new ways to promote parent involvement at home and school. Share specific math and literacy strategies with parents to reinforce children's learning. Plan and organize effective parent conferences that foster true dialogue about a child's education. Communicate with parents about what you're teaching and how you're teaching it so they can actively contribute to their child's learning at home. Develop family nights and workshops to get parents involved in learning at school. Recommend games, activities, and projects that parents can use at home to help their children practice math and literacy skills. And much more. Each chapter is full of practical tools such as Common Core-aligned strategies, useful resources for parents, and sample parent letters that you can use to increase and improve your home-school communications. Bonus: Additional parent letters on a variety of topics are available on our website [www.routledge.com/9781138998698](http://www.routledge.com/9781138998698) to help you keep parents connected throughout the year.
