

Motivation Letter for Master's Degree

Cake
Resume

Dear Mr. Shaw,

My name is Janet Curry. Currently, I am a senior in Philosophy and Religious Studies at the University of Pennsylvania. I am writing to express my enthusiasm and need for the master's scholarship because I plan to remain at the University of Pennsylvania to pursue my studies for the Master's degree in Philosophy in Liberal Arts for another year.

During my studies as an undergraduate, I worked part-time as a tutor to keep up with the living expenses while also gaining work experience and more course understanding. Relating to my studies, I always spend time trying to understand the children's behavior for a better tutoring approach in my tutor classes. The children's smiles after finishing the classes kept me motivated to teach them more. It also gave me the motivation to study deeper about philosophy.

At the same time, I was inspired to become a university lecturer who teaches philosophy because I find philosophy amusing. I know this goal would not be easy because students' behavior may differ depending on the lecturer. Pursuing my master's degree would be the stepping stone and the big leap to my future career goal.

Regarding my financial issues, I would like to reduce the amount of time spent on tutoring and focus more on my studies. Having this scholarship means a lot to me as I can study without worrying about my living expenses. The extra time would also be used for class preparations, providing better education for the children whom I tutor.

I will be very honored if I am given this scholarship for my master's degree at the University of Pennsylvania. It would be great if I can have an interview with the admission team to discuss the information. Thank you for the time and I look forward to hearing positive news from you.

Sincerely,

Janet Curry
