Sample Questions for Series 8100 Professional Level Exam (PLE) Louisiana. Department of State Civil Service, 2013

The Test Anya Kamenetz, 2015-01-06 Standardized assessments test our children our teachers our schools and increasingly our patience Your child is more than a score But in the last twenty years schools have dramatically increased standardized testing sacrificing hours of classroom time What is the cost to students teachers and families How do we preserve space for self directed learning and development especially when we still want all children to hit the mark The Test explores all sides of this problem where these tests came from their limitations and flaws and ultimately what parents teachers and concerned citizens can do It recounts the shocking history and tempestuous politics of testing and borrows strategies from fields as diverse as games neuroscience and ancient philosophy to help children cope It presents the stories of families teachers and schools maneuvering within and beyond the existing educational system playing and winning the testing game And it offers a glimpse into a future of better tests With an expert s depth a writer s flair and a hacker s creativity Anya Kamenetz has written an essential book for any parent who has wondered what do I do about all these tests
