Recording Thoughts From Prayers And Meditations:

Recording Thoughts from Prayers and Meditations Marcia Batiste,2014-12-20 We all at times pray deeply or meditate deeply and many profound thoughts come to us We must record these thoughts because later on they will help us when we look back and read what we wrote *Publishers' circular and booksellers' record* ,1867 **Manage Your Mind Manage Your Life** M. Gopinathan Nair,2013-08-20 Every human being regardless of his or her origin or upbringing is endowed with a marvelous and mysterious apparatus called the mind It works twenty four hours a day producing conditions events and experiences in each of our lives These conditions always take shape in the mind Your mind is always busy weaving your tomorrow a tomorrow either of joy or of sorrow depending upon the thoughts you entertain in your mind Your thoughts are the tools with which you work and the only tools you have to shape your destiny Your experience in the outer world only reveals what is lurking in the secret chambers of your very own mind Your experience is a mere reflection of your thoughts For example you look into the mirror and you don t like the face you see If you are a woman you ll change your makeup and hairstyle to look better If you are a man you ll cob your hair trim your mustache or shave to look better But you will not break the mirror because you know that the mirror is only reflecting the face you have Similarly your experience in life is a mirror reflecting your inner thoughts Our circumstances are merely a looking glass a mirror of reflection But in our daily life without realizing what we are doing we very often try to break the mirror For example if you are not very happy with your income you start criticizing your employer the job your upbringing and everybody else for your shortcomings You criticize your boss who makes more money you talk maliciously about the chief executive of a big corporation who makes a million dollars a year They are not going to change your conditions but are merely reflecting your thoughts To change the conditions you have to change the causes your thoughts Blaming your poor economic condition is like blaming the mirror for your uncharming face Think about it After you study this book you will learn not to blame the mirror for your poor image You will consciously start working with causes instead of conditions Scripture Record of the Life and Times of Samuel the Prophet Samuel (the Prophet.),the Mother of Our Lord Author of Scripture record of the Blessed Virgin,1863 Do I Love God? Rod Culbertson,2017-08-31 Do I Love God The Question That Must Be Answered is written for the purpose of helping believers in Christ as well as those curious about God evaluate their relationship with God The most important priority and assurance in life is knowing God Because God is a trinity of persons Father Son and Holy Spirit who have loved one another in full and perfect relationship from eternity and is thus relational we who are made in his image can actually know him personally and walk in loving relationship with him God is not impersonal he is love Loving God is why we are created Using the three domains of the heart know feel do the reader is encouraged to take a personal look into what he believes about Christ how he loves others and how he seeks purity of life Assurance of a relationship with God is gained through proper doctrinal belief passionate spirituality and godly obedience These three tests of assurance are evidence that one loves God God is a God of
