Moore, 2024-05-02 The purpose of this book is to introduce the Pentateuch to under graduate students by approaching it from the perspective of five theological polarities chaos creation Genesis slavery freedom Exodus defilement holiness Leviticus wilderness homeland Numbers and conflict covenant Deuteronomy It examines these polarities in light of other great texts from the ancient Near East and Quran in the hope of ushering the reader into a deeper understanding of the one God revered by Jews Christians and Muslims

Principles of European Constitutional Law Armin von Bogdandy, Jürgen Bast, 2009-12-03 For the time being the political project of basing the European Union on a document entitled Constitution has failed The second revised and enlarged edition of this volume retains its title nonetheless Building on a scholarly rather than black letter law account it shows European constitutional law as it looks following the Treaty of Lisbon with the EU's foundational treaties mandating the exercise of public authority establishing a hierarchy of norms and legitimising legal acts providing for citizenship and granting fundamental rights In this way the treaties shape the relations between legal orders between public interest regulation and market economy and between law and politics The

contributions demonstrate in detail how a constitutional approach furthers understanding of the core issues of EU law how it offers theoretical and doctrinal insights and how it adds critical perspective From Reviews of the First Edition should be mandatory reading for anyone who wants to get a holistic perspective of the academic debate on Europe s constitutional foundations It is impossible to present the richness of thought contained in the 833 pages of the book in a short review Common Market Law Review an enduring scholarly work which gives an English speaking audience important and overdue access to the long standing and forever vigorous traditions of European constitutional law unhesitatingly recommend ed European Law Journal real scholarship in the profound sense of the word K Lenaerts Professor of European Law Leuven
