Harmless Nicole Edwards, 2017-03-28 **Secrets** Nicole Edwards, 2022-02-22 The Off the Books Task Force is nearing its one year anniversary While they ve successfully closed multiple cases it hasn t been easy Even after the governor dissolved the team they are finding their new home under the umbrella of Sniper 1 Security As with everything the private sector has new challenges for them to tackle such as expanding the team Even as they work to broaden their reach there are still cases to be worked When a partner at an investment firm goes missing Governor Greenwood reaches out for their assistance Putting aside their grudges the team uses their combined skills to unravel the mystery Not only do secrets emerge where the case is concerned many more are brought to light within the team itself *Hot Chocolate Wishes* Nicole Edwards, 2023-12-04 See what s happening at Christmas in Coyote Ridge with never before seen characters who are proving that the holidays are even better when they re naughty Reilly Jameson has had a crush on her older brother s best friend for as long as she can remember This year she s decided to put it all on the line and see if she can give Brady McCord a nudge in the right direction She intends to show him that despite the age difference they can be really good together Donovan Jameson has shrugged off his attraction to his little sister s best friend for quite some time because Tate Riggs is not his type But for some reason he can t shake it anymore When Tate calls him sweetie Donovan wants nothing more than to dominate the younger man and show him just how sweet they can be together This is a full length holiday romance with HEAs for two separate couples Since their lives are so intertwined it seemed more fun to let it play out side by side Distraction Nicole Edwards, 2017-01-31 *All In* Nicole Edwards, 2020-05-12 Brantley Walker has dedicated his life to serving his country Having given seventeen years to the US Navy the last ten as a SEAL the mission was the only thing he knew the only thing that mattered He never even considered what life would look like after the mission was over Until he s forced to After months of recovering from career ending injuries Brantley finds himself back in his hometown of Coyote Ridge Texas Once again a permanent resident with the full support of his family and friends he embarks on a journey to start over forced to figure out what to do with the rest of his life a task that is far easier said than done Then the unthinkable happens When his cousin Travis s daughter is kidnapped Brantley puts himself right back in the action partnering up with Reese Tavoularis to find the little girl and bring her home where she belongs As events unfold Brantley and Reese find themselves undertaking another mission Only this one results in a journey that takes them in a direction neither of them expected to go **Trey** Nicole Edwards, 2022-12-27 Trey Walker has one major flaw as far as he s concerned he impulsively falls in love too easily and too often That reckless impulse resulted in several failed relationships not to mention the implosion of his marriage And what s the best way to ensure you don t make that mistake again That s easy You shrug off relationships for good And it was working for him Right up until it wasn t Trey was on a winning streak until fate threw him a curveball eighteen months ago when he crossed paths with Magnus Storme the smoking hot ridiculously persistent twenty four year old owner of Camp K 9

Using the 12 year age gap as an excuse Trey managed to resist Magnus for about a minute Did he mention Magnus was persistent His first mistake was taking Magnus home thinking one night with him would get the man out of his system One night turned into two then a week a month two After a year Trey still adamantly denied falling for Magnus which meant he wasn't only lying to Magnus he was lying to himself Just when Trey's life seems to be cruising along the right track another unexpected turn arrives this time in the form of a woman from Magnus's past Only Ava March isn't just any woman she's one Magnus has a history with and now Ava needs him Trey has to make a decision live in denial and walk away from the man he loves or accept that his feelings are in direct contradiction to everything Trey thought he knew about himself This MMF romance can be read as a standalone however Trey Magnus and Ava's story picks up where things left off in Confessions from the Brantley Walker Off the Books series Trigger warning While this book is about love healing and perseverance some readers may find the retelling of the physical abuse Ava suffered at the hands of her husband difficult to read

Nicole Edwards, 2023-06-27 Volume 1 What twenty four year old recent college graduate would sign up to uncover a secret kink club rumored to be hidden within the walls of a multi billion dollar conglomerate Me Why Well that's easy I've spent my entire life with my nose to the grindstone doing the right thing focusing on my future and now I'm bored which isn't a good thing when you have an insatiable curiosity I probably should've considered the type of bait needed for a fishing expedition of this magnitude when I applied for the job at Primal Instincts LLC looking to uncover the secret world that exists only on the whispers of those who've never so much as glimpsed the dark seductive inner workings because those who had wouldn't dare reveal anything Now that I'm through the door I've got my determination and single minded focus to keep me moving forward I will figure it out if for no other reason than to say I did Provided I don't get sidetracked by not one not two but three men who are ridiculously good at keeping secrets Volume 2 I am only one week into my new job at Primal Instincts LLC when I realize super sleuth is not something I will be adding to my resume anytime soon Although I'm still on my mission to uncover the truth about the secret kink club I suspect exists and is somehow tied to my employer I find myself with more pressing things to deal with than solving that mystery Between balancing the work assignment I've been given and the change in my current dating status the only time I have left is spent dealing with a dominating manipulative not to mention sexy man who has me in his crosshairs Unfortunately the aforementioned dominating man starts the dominoes falling when his manipulation puts me in a vulnerable position It's crazy what can happen in a week Volume 3 To say things have gotten complicated with the men in my life would be an understatement My mission to discover the secret kink club has been put on hold but not because I'm distracted by the three men plaguing my thoughts and dreams Not only because of them anyway They are certainly responsible for keeping my attention away from my goals However my main concern is the man blackmailing me with a video I'd prefer isn't seen by the public That man has given me an ultimatum and I have a decision to make an important one But for the moment Creed Hawk and Garrison are doing their best to keep my mind off my problem

and they have a proposition for me One that will effectively shift my focus yet again Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same Violet Nicole Edwards,2024-10-22 Curses To believe or not to believe Violet Anderson believed How could she not when the proof was right in front of her And her curse well it meant that like her mother and older sisters she was doomed to spend her life pining for a man who would undervalue her Not that she would allow that to happen She d never met a man worth pining for Then Simon Jennings walked into her bookstore Aside from being hot enough to put her brain on the fritz the man was not her type He was one of those nice guys the kind who opened doors and didn t try to cop a feel during a simple goodnight kiss Since the curse ensured nice guys would never fall in love with her Violet knew her best bet was to stay as far from him as she could Too bad Simon didn t get the memo When Simon s charm proves too powerful to resist Violet gives in to the undeniable chemistry After all it s not like she would fall in love with a handsome stranger after one night right Fearless Nicole Edwards,2016-04-11 He s the one who walked away Dare Davis one of the four owners of Pier 70 Marina has spent the past fifteen years of his life avoiding risks He considers himself fearless because he refuses to let anyone close enough to hurt him He s had his heart broken before he s not looking for it to happen again He s the one who let love slip through his fingers Noah Pearson a thirteen year veteran of the Austin Fire Department finds himself being roped into a favor by his mischievous stepsister When Milly invites him to come along on a cruise to the Caribbean he finds himself giving in What he doesn t know is that Milly s playing matchmaker However Milly s surprise backfires when Noah finds himself front and center with the man who slipped through his fingers fifteen years ago Some people believe in second chances Things heat up when the mischievous fun loving bad boy comes face to face with this smoking hot firefighter Now that Dare and Noah find themselves sharing a room on a week long cruise can they find a way to keep the peace and ignore their past Or thanks to the decisions they made long ago will they come full circle picking right back up where they left off

Confessions Nicole Edwards,2022-05-24 After being shot in a failed kidnapping Reese Tavoularis went off the radar Instead of returning to Coyote Ridge to mend things with Brantley he chose to stay in Dallas leaving his team behind and using his recovery as a reason to maintain his distance more accurately to evade the consequences of his choices Now he s back to seek forgiveness and persuade the man he loves to give their relationship another chance When Magnus Storme faces kidnapping allegations Reese reconnects with his team as they unite to prove Magnus s innocence and locate the missing woman Rough & Dirty Nicole Edwards,2024-06-11 One night Rough dirty and so hot it was a wonder the barn didn t burn down from the heat they generated If Stone Jameson were writing a letter to his younger self it would go something like this Don t waste time leaving You have everything you ll ever want already Unfortunately Stone didn t have the ability to warn his younger self nor could he get the last fifteen years of his life back He could however return to the last place he d experienced real happiness his hometown of Coyote Ridge It takes mere days for him to realize that all the years

he spent trying to forget the night that had altered his perception of himself were in vain It takes a single glimpse of what he left behind to bring it all back the potent attraction the intense connection and the longing permanently etched in his soul Getting absolution for his mistakes might be impossible but when a second chance presents itself Stone knows that determination and persistence are the only tools he needs to build the solid foundation he s seeking **Hide & Seek** Nicole Edwards,2020-08-25 With the holidays nearing Brantley Walker and Reese Tavoularis are getting settled both personally and professionally For Reese dealing with Brantley s about face regarding the size of the task force is easy It s meeting the parents that he s worried about On the work front the Off the Books Task Force has a stack of cold cases to tackle but two new cases keep them moving across the great state of Texas One of which turns into a dangerous game of hide and seek
