Adam Streiff

ABC Company

24 Doe Street, Sometown XX19 1XX

Dear Mr Streiff,

When I came across your opening for a sales assistant at ABC Company, I was beyond thrilled. I would value the opportunity to contribute the same award-winning customer service as I have at my current role at XYZ Corp.

I have seen that ABC Company will soon be relocating to a larger site, following three consecutive years of increasing trade. My most recent experience involved a similar situation. As a retail assistant at XYZ Corp I assisted with a move to a new 200 square metre site, helping to successfully adapt visual merchandising for the larger space. To further assist the move I helped train 5 new incoming staff to manage the increase in footfall.

After the move to the larger premises my own sales figures improved by 50% per month, contributing to an overall sales increase of £700,000 per annum. I'd love to be able to help achieve the same success for a vibrant local business such as ABC Company.

Thanks so much for taking the time to consider my application. Please do give me a call at your convenience, so we can discuss the role further. I'd love the opportunity to develop my skills at a business that's a Merseyside success story.

Yours sincerely,

Sophie Spencer

evoked in contemporary critical theory both practices seen as metaphors of mobility and flux linked to globalized post modern society Travel is a multiple activity encompassing temporary and voluntary displacement repeated movement exile economic migration diaspora Places of origin are often plural and unstable in spite of the enduring appeal of traditional labels such as mother country or patrie The multiple interfaces between translation travel and migration are the focus of all contributions in this special issue Starting from different points of view and using a variety of methodologies the authors raise fundamental questions about the way in which we perceive the link between language national or ethnic identity and individual voice Topics range from the interaction between travel travel narratives and translation in early English representations of China to the special role played by interpreters in mediating the first contact between a literate and a non literate culture from the multiple functions and audiences addressed by contemporary Romani literature and its translation to the political as well a cultural implications of translating popular music across the Bosphorus A number of the articles focus on detailed textual analysis covering the intersection between exile self translation and translingualism in the work of Manuel Puig the uses and limitations of translation in the works of migrant authors or the impact on figurations of Europe of experimental work embracing polylingualism Collectively these contributions also underline the importance of a closer examination of our assumptions about who the translators and the interpreters are and what roles they play in our society
