Resting Place Jane Rubietta, 2009-12 A PERSONAL RETREAT We've never needed it more We run from one place to the next from meetings and appointments to our kids soccer practice from work to class to choir rehearsal from the grocery store to small group and then drop into bed later than we hoped exhausted and dreading the morning We want to slow down but don't know how and don't really believe that we can And often the idea of a personal retreat time for solitude and silence makes us feel as anxious as all our frenzied rushing What in the world would we do with an hour an afternoon or gulp a whole day of solitude with God But what is the cost of our frantic pace What are we missing by not slowing down for reflection and meditation on Scripture What kind of toll does our anxious running take on those around us and even more deeply on our own soul In *Resting Place* retreat speaker Jane Rubietta addresses soul matters with retreat topics such as dealing with our fear of abandonment wrestling with discontent overcoming our attempts to control others fulfilling our deep desire to be loved Spiritual retreats help us enter Psalm 23 rest a place of true rest and trust in our loving gentle Shepherd With Scripture to meditate on quotes to contemplate questions prayer and journaling ideas and creative exercises *Resting Place* leads us to and through times of rest The silence and solitude will follow us into our everyday world as we allow Jesus to guide comfort and restore us Come to the Shepherd and find the true rest your soul longs for
