The Gnostic Faustus Ramona Fradon, 2007-11-12 The Faust legend seen as a transmission of core Gnostic teachings disguised as a morality tale Shows the 16th century Faust text to be a coded composite Gnostic creation myth Identifies the many Hermetic alchemical and Tantric symbols found in Faust that signify worship of the divine feminine through sacramental sexual practices Reveals a mystical process of spiritual salvation as distilled from esoteric traditions In The Gnostic Faustus Ramona Fradon shows the legend of Doctor Faustus to be a composite Gnostic creation myth that reveals the process of spiritual salvation Nearly every element of the original 16th century text is a metaphor containing profound spiritual messages based on passages of Coptic and Syrian Gnostic manuscripts including the Pistis Sophia and The Hymn of the Pearl Fradon identifies many Hermetic alchemical and Tantric symbols in the Faust Book that accompany the story of Sophia the goddess of wisdom whose troubled journey to salvation is a model for human spiritual development Extensive line by line text comparisons with these Gnostic manuscripts show that Faustus's corruption by the Devil and his despair parallel Sophia's transgression and fall and that his tragic death is a simple reversal of her joyful rebirth so written in order to make an otherwise heretical story palatable to Church authorities at that time Fradon demonstrates that the Faust legend is a vehicle for transmitting antiquity's secret wisdom It provides an account of spiritual initiation whose goal is ecstatic revelation and union with the divine The elements of alchemy sacramental sex and worship of the divine feminine that are encoded in the Faust Book reveal the same hidden goddess worshipping tradition whose practices are hinted at by the writings of Renaissance magi such as Cornelius Agrippa and Giordano Bruno

Van der Laan, Andrew Weeks, 2013 The Reformation and Renaissance though segregated into distinct disciplines today interacted and clashed intimately in Faust the great figure that attained European prominence in the anonymous 1587 *Historia von D. Johann Fausten* The original Faust behind Goethe's great drama embodies a remote culture In his century Faust evolved from an obscure cipher to a universal symbol The age explored here as the Faustian century invested the *Faustbuch* and its theme with a symbolic significance still of exceptional relevance today The new essays in this volume complement one another providing insights into the tensions and forces that gave the century its distinct character Several essays seek Faust's prototypes Others elaborate the symbolic function of his figure and discern the resonance of his tale in conflicting allegiances This volume focuses on the intersection of historical accounts and literary imaginings on shared aspects of the work and its times on concerns with obedience and transgression obsessions with the devil and curiosity about magic and quandaries created by shifting religious and worldly authorities From publisher's website *Doctors, Folk Medicine and the Inquisition* Timothy Walker, 2005-06-01 Inquisition trials for sorcery and witchcraft in Portugal reached a late crescendo 1715 to 1755 This study of those events focuses on the Inquisition's role in prosecuting and discrediting popular healers called *salvadores* or *curandeiros* who were charged with practicing magical crimes Significantly these trials coincide with the entrance of university trained physicians and surgeons into the paid ranks of the Portuguese Inquisition in unprecedented numbers State licensed medical practitioners motivated by professional competition combined with a desire to promote rationalized scientific medicine used their positions within the Holy Office to initiate trials against purveyors of superstitious folk remedies The repression of folk healing reveals a conflict between learned medical culture and popular healing culture in Enlightenment era Portugal In this rare instance the Inquisition functioned as an instrument of progressive social change **The Locked Chest** Olivia Reid, 2024-12-05 A chilling inheritance A town steeped in secrets A past that refuses to stay buried When Hannah Reid inherits an antique chest after her grandmother's death she unwittingly unlocks a dark and tangled family legacy The chest locked tight and emanating an aura of foreboding becomes her obsession Inside fragile letters and yellowed newspaper clippings whisper of unsolved murders that gripped Havenwood in 1923 implicating her own great grandfather Drawn into a world of long buried truths Hannah partners with Corey Archer a descendant of the Reids long standing rivals their families locked in a feud as old as the town itself Their uneasy alliance becomes a desperate search for answers as they navigate the treacherous currents of their intertwined histories Havenwood picturesque on the surface reveals itself to be a repository of secrets Cryptic warnings and unsettling incidents escalate into direct threats suggesting someone is desperately trying to keep the past buried As Hannah and Corey delve deeper they unearth a conspiracy far more twisted than they could have imagined a chilling pact forged in blood and betrayal But the danger isn't

confined to the past A shadowy figure lurks in the present a descendant of a killer whose motives remain shrouded in mystery The line between past and present blurs as Hannah becomes the hunted realizing the secrets of 1923 are still lethal a century later In a heart pounding race against time Hannah and Corey must unravel the truth before it claims them both Can they expose the killer and break free from the grip of their families shared past or will they become the next victims of Havenwood s deadly secrets

The Weight of Whispers Katherine Reed,2024-12-17 Twelve year old Evie Markham is trapped in a silence more suffocating than the smoke that stole everything The fire that consumed her family home claiming her parents and younger brother has left her scarred haunted by fragmented memories and a chilling question did she start it Sent to live with her estranged aunt in Havenwood a remote mountain town shrouded in mist and steeped in unsettling folklore Evie finds herself not just an orphan but a suspect The townsfolk whisper of a vengeful mountain spirit appeased only by a centuries old pact demanding sacrifice and their whispers twist into accusations pinning Evie as the next offering Havenwood is a character in itself a place where the line between reality and myth blurs Towering peaks perpetually veiled in mist loom over the town like watchful sentinels The air hums with unspoken dread a weight that settles on Evie s already burdened shoulders Her only solace is Orion an enigmatic boy drawn to her quiet sorrow He understands the town s whispers better than anyone carrying his own burden of secrets tied to the ancient pact and the sacrifices it demands His protectiveness is fierce yet laced with an ambivalence that both comforts and unsettles her He urges her to confront the spectral visions of her lost brother visions more vivid than mere hallucination whispering cryptic warnings The pact demands a sacrifice Fix what you broke As Evie pieces together the puzzle of her past a terrifying conspiracy takes shape Her parents weren t just victims of the fire they were active participants in Havenwood s dark rituals The townsfolk s whispers take on a new dimension They weren t just accusing her they were protecting their pact even if it meant silencing her permanently Orion s own connection to the pact becomes chillingly clear his family deeply entrenched in Havenwood s bloody history He is torn between loyalty and a growing affection for Evie his ambivalence a ticking clock counting down to a devastating choice Guided by her brother s spectral pleas and Orion s enigmatic support Evie delves deeper uncovering the true nature of the sacrifices demanded by the pact sacrifices her parents were willing to make and sacrifices the town is now preparing to demand of her The fire that stole everything becomes a flickering light illuminating a descent into the heart of Havenwood
