19. A	39. B	59. A	79. C
20. B	40. E	60. C	80. E

- Answer (B) To exploit colonial resources for the benefit of Britain.** This is essentially the definition of mercantilism: it's a set of policies to regulate colonial economies to benefit the mother country—in this case, Great Britain. All of the European colonial powers used it to amass wealth; that way they could fight wars to win more territory. (*America's History*, Seventh Edition, Chapter 3, pp. 76–77)
- Answer (B) an Antifederalist.** Clues are “this new government,” and “tyranny must and will arise.” These words were said by Virginian Patriot Patrick Henry—most famous for the words “Give me liberty, or give me death!”—who opposed the strong federal government the 1787 Constitution proposed. (*America's History*, Seventh Edition, Chapter 6, pp. 198–199)
- Answer (D) any European interference in the Americas would be seen as a hostility to the United States.** Written by Secretary of State John Q. Adams and delivered by James Monroe, the Doctrine was a warning to European powers and served to shape American foreign policy in Latin America for nearly a century—Teddy Roosevelt would add his own spin to it during his presidency (1901–1908). (*America's History*, Seventh Edition, Chapter 7, p. 232)
