

## Physical Therapist Papers

The career that I chose to researched was a physical therapist. Physical therapist are highly educated, licensed health care professionals who can help patients reduce pain. Physical therapist also improve or restore mobility in many cases without expensive surgery and often reducing the need for long term use of prescription medications and their side effects. There were many steps taken to complete research on this career.

With the requirement of research needed I had to choose from which sources to obtain information from on my occupation. I made a list about important facts, eliminating sources that were not beneficial. The internet is always a dependable source for finding valuable information. That being said, the internet was ... What are some advantages for a physical therapist?

What are difficult tasks they are faced with?

Which body part becomes a challenge to stretch or massage?

What tools help the most with patients?

How do you keep up with patient records and progress?

What could make a session with a patient may create problems?

How do you put yourself aside with the patient and not become uncomfortable ?

How do you develop a treatment plan for the patient ?

The information i received from Ms. Cooke was very beneficial, due to the fact she works as a physical therapist on a day to day basis. I was referred to Ms. Cooke through my aunt who works at Hampton Regional Medical Center or HRMC. She also previously helped me rehabilitate my ankle that I injured during football season. Luckily as I was interviewing her she was also in the middle of a session with a patient. Therefore, I got to experience the work of a physical therapist first hand. I observe how she put her gloves on at first ,then she used lubricates to massage the
