Laboratory Manual: Physics 2401 Lab Manual, Department of Physics Texas Tech University, (Stipes Publishing L.L.C, 2011).

Meeting Place: Science Building 130 **Note:** No food or drinks are allowed in the laboratory, including bottles and cups with lids.

Laboratory: Each laboratory meeting will consist of working through one of the interactive laboratories in the Physics 2401 Laboratory Manual. Topics include electricity, magnetism, and optics. The laboratory and homework will be graded.

Laboratory homework: Each week, a laboratory homework will be assigned. It will be turned in the following week at the beginning of the laboratory period. It is late after the beginning of the laboratory period and late laboratory homework will not be accepted. The laboratory homework will count as 30% of your laboratory grade.

Laboratory Write-up: The lab write-up will be completed each week as you answer the questions while working through the lab, as well as completing the summary at the end of the lab. You will turn in the lab at the end of each lab period. The laboratory write-up is 45% of your laboratory grade.

Participation: Coming to class on time, not leaving early and being "on-task" when you are in the lab counts as part of your participation grade. Also, working any departmental assessments, which may include a general pre-test, post-test or other surveys and surveys to be done online outside of class, will count toward your participation grade. For all of these things, you will get full credit, if you do them, and points will be subtracted from your participation grade, if you do not do them. They will not be graded, except for completion. However, if they are not completed or are not taken seriously, you will have points taken off.

Obviously attendance is the most important part of participation. If you aren't here, you can't participate. Absences will be excused for university events, illness (documentation may be required), funerals (documentation may be required and excuses for funerals are at Dr. West's discretion), court appearances (plaintiff, defendant, witness, juror, documentation **IS** required). Occasionally something so out of the ordinary occurs that you may feel should be grounds for being excused. Please see Dr. West if you feel you have extenuating circumstances. Excuses for
