the jarring moments of his childhood and speaks of the measures he took to try and heal. He divulges how he came to be alienated from his strong religious anchor and describes his views on the nature of faith. Michael brings us into his tortured yet loving relationship with his siblings. He opens up about his father and his yearning for a time when they might finally reconcile. He talks about his most personal friendships and shares with us his terror of growing old. Despite his unprecedented fame and recent death, there remain unanswered questions about his life. The answers presented here in *The Michael Jackson Tapes* will both intrigue and move you.
