The Program Evaluation Standards Joint Committee on Standards for Educational Evaluation, James R. Sanders, 1994-04-06 The Program Evaluation Standards is a

must have book for anyone responsible for reviewing evaluation proposals planning and conducting evaluations managing evaluation projects or judging the merit and worth of evaluations once completed For experienced practitioners it provides a set of values and principles by which to guide successful practice that is a set of criteria that determines whether educational evaluations are trustworthy and fair The Standards sets expectations of the design and implementation of educational evaluation for all practitioners in all types of educational arenas even those involved in social programming endeavors For newcomers and those less experienced who may be responsible for commissioning and using evaluations the Standards supplies a useful framework of generating a list of questions to raise about any evaluation plan or final report in an effort to assess its pros and cons The book is an invaluable how to resource for graduate students venturing out into the field and it instills a sense of what it means to be a responsible evaluator For clients or consumers the book offers advice on what they should expect of an evaluation Publisher description *Collaborative Approaches to Evaluation* J. Bradley

Cousins, 2019-06-25 Editor J Bradley Cousins and colleagues meet the needs of evaluators seeking to implement collaborative and participatory approaches to evaluation in *Collaborative Approaches to Evaluation Principles in Use* Using a multi phase empirical process to develop and validate a set of principles to guide collaborative approaches to evaluation the book outlines the principles that the team developed and then provides case studies of how these principles have been applied in practice The case studies draw on programs globally in education health and community development The book is an invaluable supplementary text for program evaluation courses where students projects are focused on more collaborative and participatory approaches and it is an essential resource for practicing evaluators and those who commission program evaluations
