**The Emperor Redressed** Dwight Eddins, 2014-07-14 The essays in this volume represent a collective questioning of the poststructuralist ascendancy and of the assumptions involved therein by a group of prominent scholars and critics M H Abrams Nina Baym Frederick Crews Ihab Hassan David Lehman Richard Levin Paisley Livingston Saul Morson and John Searle Assembled at The University of Alabama for the 1992 symposium from which this book takes its title these scholars were charged with the task of examining the truth value methodology practice and humanistic status of poststructuralist theories and with speculating on what their conclusions portend for the future of theory Some of the

deficiencies uncovered in the emperor's apparel include the failure of poststructuralist theory to answer to the complexities of literary experience its tendency to be self-ratifying its betrayal of the feminist achievement its conflation of style and logic its attempt to impose apocalyptic finalities on history's open-endedness and its ignorance of much in current language philosophy The writings of Jacques Derrida in particular come in for skeptical scrutiny by Abrams Livingston and Searle The book concludes with a lively panel discussion in which the audience joins the fray *The Everyday Life of the Emperor* Martina Winkelhofer, 2012-05-22 The Court in Vienna under Emperor Francis Joseph was not only Europe's most illustrious and refined it was also a huge economic enterprise serving as both home and workplace for just under 2 000 people The author reveals multitudinous facets of Emperor Francis Joseph's court and displays them in highly entertaining fashion the court truly comes alive again She takes the reader through a typical day in the life of the emperor from his early morning toilette to the evening ceremonies she tells tales of glittering ceremonies receptions and audiences she provides insights into the private and the family life of the emperor Caesar and the Lamb, Second Edition George Kalantzis, 2025-05-30 Through the available patristic writings Caesar and the Lamb focuses on the attitudes of the earliest Christians on war and military service Kalantzis provides the reader with many new translations of pre-Constantinian texts and tells the story of the struggle of the earliest church to bear witness to the nations that enveloped them as they transformed the dominant narratives of citizenship loyalty freedom power and control Kalantzis examines writings on war and military service in the first three centuries of the Christian church in an organized manner but the ways the communities of Christ at the margins of power and society thought of themselves and the state are not presented here through the lens of antiquarian curiosity At the heart of Caesar and the Lamb is a desire to understand the world in which Christianity arose and to ask questions of the past that may help us understand the early character of the Christian faith with the hope that such an enterprise will also help us evaluate its expression in our own time Federal reserve bulletin, 1945 Government by Mourning Atsuko Hirai, 2020-03-17 From the early seventeenth to the mid-nineteenth century the Tokugawa shogunate enacted and enforced myriad laws and ordinances to control nearly every aspect of Japanese life including observance of a person's death In particular the shoguns Tsunayoshi and Yoshimune issued strict decrees on mourning and abstention that dictated compliance throughout the land and survived the political upheaval of the Meiji Restoration to persist well into the twentieth century Atsuko Hirai reveals the pivotal relationship between these shogunal edicts and the legitimacy of Tokugawa rule By highlighting the role of narimono chojirei injunctions against playing musical instruments within their broader context she shows how this class of legislation played an important integrative part in Japanese society not only through its comprehensive implementation especially for national mourning of major political figures but also by its codification of the religious beliefs and customs that the Japanese people had cherished for innumerable generations **Emperor's Castle** Vol. 7 Sungmo Kim, 2019-05-02 After saving his son's life Chunhoo realizes that he can't hide his powerful warrior aura even

in the seedy red light district of Busan The wardens pursuer the Blood Demon Guhryong tracks father and son like a bloodhound to their very doorstep Fast on his heels the Imperial Assassins from Japan leave a trail of fear and violence in their wake Chunhoos former Yakuza bosses the Sochun Organization want to guarantee the answer to that question by creating an unseen trap for them all And their machinations wont stop until they prove an apocalyptic battle between Japans highest martial art Ki Do Ryu and the Shi Nan Joo style of Chunhoo Sensing the approaching battles Chunhoo gives his son Sugki a mysterious key that may change the fate of all
