Gill, Tim McCormack, Robin Geiß, Heike Krieger, Christophe Paulussen, 2018-12-20 The main theme of this volume of the Yearbook of International Humanitarian Law is the development and interpretation of international humanitarian law IHL It is elaborated upon in several chapters that examine the role of non state armed groups in the development and interpretation of IHL the impact of international criminal law on the development of IHL the notion of external non international armed conflicts and the regulation of prolonged occupation under international law The second theme of this volume is dedicated to targeting in armed conflicts Specific topics include precautions in attack in urban and siege warfare the targeting of the Islamic State's religious personnel in Iraq and Syria and the targeting of illicit crops through aerial spraying in Colombia Besides the chapters that address both themes this volume also contains a Year in Review describing the most important events and legal

developments that took place in 2017 The Yearbook of International Humanitarian Law is the world's only annual publication devoted to the study of the laws governing armed conflict It provides a truly international forum for high quality peer reviewed academic articles focusing on this crucial branch of international law Distinguished by contemporary relevance the Yearbook of International Humanitarian Law bridges the gap between theory and practice and serves as a useful reference tool for scholars practitioners military personnel civil servants diplomats human rights workers and students

The South China Sea Arbitration Alfredo C. Robles, 2019-01-01 The South China Sea Arbitration which marks the first time that the Philippines and China have been parties to a compulsory dispute settlement procedure is a landmark legal case The Tribunal tackled head on critical issues in the interpretation and application of the UN Convention on the Law of the Sea that other international courts have failed to address particularly the compatibility of historic rights with the Convention the identification of maritime features as permanently submerged or above water at high tide and the distinction between features that are fully entitled to maritime zones and those that are not In addition the Tribunal also had to decide on issues as diverse as near collisions at sea illegal fishing of giant clams and sea turtles and the destruction of fragile coral reefs resulting from island building The Tribunal's task was rendered arduous by China's refusal to appear before it In these circumstances understanding the Tribunal's decisions is a challenging undertaking China's public relations campaign targeting the proceedings raised issues that the layperson could readily grasp notably African states support for its non appearance the integrity of the judges and the validity of arbitral awards Understanding the Awards and Debating with China aims to facilitate understanding of the South China Sea Arbitration by presenting detailed summaries of the two Arbitral Awards The author rebuts the questionable claims raised by China's public relations campaign and highlights China's covert actions during the proceedings

Media Law in Greece Ioannis Iglezakis, 2021-12-21 Derived from the renowned multi volume International Encyclopaedia of Laws this analysis of media law in Greece surveys the massively altered and enlarged legal landscape traditionally encompassed in laws pertaining to freedom of expression and regulation of communications Everywhere a shift from mass media to mass self communication has put enormous pressure on traditional law models An introduction describing the main actors and salient aspects of media markets is followed by in depth analyses of print media radio and television broadcasting the Internet commercial communications political advertising concentration in media markets and media regulation Among the topics that arise for discussion are privacy cultural policy protection of minors competition policy access to digital gateways protection of journalists sources standardization and interoperability and liability of intermediaries Relevant case law is considered throughout as are various ethical codes A clear comprehensive overview of media legislation case law and doctrine presented from the practitioner's point of view this book is a valuable time saving resource for all concerned with media and communication freedom Lawyers representing parties with interests in Greece will welcome this very useful guide and academics and researchers will appreciate its value in the study of

comparative media law **Daily Graphic** Ransford Tetteh, 2014-09-10 **Federal Register**, 2013-11 **Modification of Treaties by Subsequent Practice** Irina Buga, 2018-04-04 While treaties can be notoriously difficult to amend by formal means they must nevertheless be adapted over time in order to remain useful Herein lies the role of subsequent practice as a key tool for treaty change Subsequent practice a well established means of treaty interpretation sometimes diverges from the original treaty provision to such an extent that it can no longer be said to constitute an act of interpretation or application Rather it becomes in effect one of treaty modification The modification of treaties by subsequent practice extends to all fields of international law from the law of the sea environmental law and investment law to human rights and humanitarian law Such modifications can have significant practical consequences from revising or creating new rights and obligations to establishing new institutional mechanisms Determining when and how treaty modification by subsequent practice occurs poses difficulty to legal scholars and dispute settlement bodies alike and impacts States expectations as to their treaty obligations This significant yet underexplored process is the focus of this book *Modification of Treaties by Subsequent Practice* proves that subsequent practice can under carefully defined conditions that ensure strict accordance with the will of the treaty parties alter supplement and terminate treaty provisions or even entire treaty frameworks It can also generate customary law and fuel regime interaction Ultimately this book demonstrates the relevance and dynamism of the process of treaty modification by subsequent practice emphasizing the need to deal with the issue head on and explains on a theoretical and practical level how it can be identified and dealt with more consistently in the future The book thus contributes to a deeper understanding of the process of treaty modification by subsequent practice and its continued role in striking the judicious balance between the stability of treaties on the one hand and the organic evolution of the law on the other

Nicaragua Before the International Court of Justice Edgardo Sobenes Obregon, Benjamin Samson, 2017-11-21 This book analyses Nicaragua's role in the development of international law through its participation in cases that have come before the International Court of Justice Nicaragua has appeared before the ICJ in fourteen cases either as an applicant respondent or intervening State thus setting an important example of commitment to the peaceful judicial settlement of disputes The Nicaraguan cases have enabled the ICJ to take positions on and clarify a whole range of important procedural jurisdictional and substantive legal issues which have inspired the jurisprudence of international and regional courts and tribunals and influenced the development of international law The book focuses on reviewing Nicaragua's cases before the ICJ using a thematic approach to identify their impact on international law Each chapter includes a discussion of the relevant cases on a particular theme and their impact over time on general as well as specific branches of international law notably through their use as precedent by other international and regional courts and tribunals *Civil Aeronautics Journal*, 1942
