Antonio Garcia

Sa Military Application Form For 2015:

Suid-Afrikaanse Hofverslae, 2015 South Africa and United Nations Peacekeeping Offensive Operations Antonio Garcia, 2018-08-17 The creation of the Force Intervention Brigade FIB as the sharp tactical edge of the United Nations Stabilisation Mission in the Democratic Republic of the Congo MONUSCO tasked with the neutralising of armed groups was a watershed moment in the history of modern peace missions What was more significant was that sub Saharan national leaders were instrumental in the creation of the FIB South Africa Tanzania and Malawi but lacked the resources to deploy such a force and consequently the brigade was deployed under the banner of the UN With the legacy of an African Renaissance and its role in the conception of the FIB South Africa remains a critical player in international peace and security in sub Saharan Africa and therefore holds a key strategic role in achieving the FIBs objectives This comes at a critical time where blue helmets are increasingly exposed to complex and challenging security contexts The aim of this work is to provide a conceptual model for South African military future operations and UN offensive peacekeeping operations In this undertaking a layer of military and Clausewitzian theory is added to offensive peacekeeping operations Furthermore there are sections on operational constructs capstone and operating concepts doctrine and structural elements as well a section on mine action This book contributes towards an understanding of the nature of modern strategy through the lens of UN offensive peacekeeping operations and provides insights into operational challenges **Sociology in South Africa** R. Sooryamoorthy, 2016-08-13 This book is the first comprehensive account of the history and current state of South African sociology Providing a holistic picture of the subject both as it is taught in universities and as a field of research it reveals the trajectories of a discipline in a challenging socio political context With the support of historical and scientometric data it demonstrates how the changing political situation from colonialism to apartheid to democracy has influenced the nature direction and foci of sociological research in the country The author shows how during the apartheid era sociology was professionally fragmented and divided along language and race lines It was however able to flourish with the advent of democracy in 1994 and has become a unique academic movement This insightful work will appeal to students and scholars of the social sciences and all those interested in the history and society of South Africa *Territoriality of Radical Islamist Groups* Bohumil Doboš, Martin Riegl, Jakub Landovský, 2021-05-04 This book examines the issue of territorial control by violent jihadist groups using a comparative perspective The book argues that in many parts of the world the connection between a state and the control over territory is not as close as presented by conventional political maps and therefore it is necessary to analyse the territoriality of non state actors as well Based on a variety of case studies the work looks at different levels of connection between the violent Islamist groups and territory dividing them into non territorial semi territorial and territorial groups While the majority of the cases are located in the Middle East Islamic State Al Qaeda Al Qaeda at the Arabian Peninsula Ha yat Tahrir al Sham Hamas and Hezbollah the book also draws cases from Africa groups in the western

Sahel Al Shabaab and Boko Haram South Asia Taliban and East Asia Abu Sayyaf By providing in depth understanding of their respective approaches to territory the book identifies the specifics of each group s territoriality while also drawing more general conclusions This book will be of much interest to students of terrorism and political violence radical Islam Middle Eastern studies and International Relations in general **Congressional Record** United States. Handbook on Migration and the Family Johanna L. Waters,Brenda S.A. Yeoh,2023-03-02 This Handbook is a timely and critical intervention into debates on changing family dynamics in the face of globalization population migration and uneven mobilities By capturing the diversity of family types arrangements and strategies across a global setting the volume highlights how migration is inextricably linked to complex familial relationships often in supportive and nurturing ways but also violent and oppressive at other times International Investment, Political Risk, and Dispute Resolution Partner Noah Rubins Qc,Thomas Nektarios Papanastasiou,Partner N Stephan Kinsella,2019-09-18 The second edition of International Investment Political Risk and Dispute Resolution explores the multi layered legal framework for the protection of foreign investment against political risk The authors expertly analyse some of the key issues surrounding this subject such as structuring transactions to minimize political risk political risk insurance state responsibility treaties protecting foreign investment and human rights and international arbitration between states and investors Since the previous edition was released in 2005 far more attention has been paid to these issues in particular investor state arbitration as well as other current topics such as the interaction between international investment law and human rights All chapters have been revised to take into account the number of new arbitration awards that have come to light and the massive volume of commentary on the subject of international investment arbitration since the first edition The authors have carefully considered the latest theoretical approaches to foreign investment protection and the most intellectually challenging awards issued in the intervening decade as well as the most recent practical guidance on the procedural recourse available to investors who face political risks Additionally this book contains a new chapter exploring the interaction between international investment law and the international human rights regime and considers whether there is a complementary or divergent result between

competing fora This book is addressed to a wide audience and is suitable as a primer for non specialist practitioners seeking to familiarize themselves with international law pertaining to political risk While appropriate for practitioner use this book is also suitable for undergraduate students or for graduates who intend to specialize in international investment law

China's Big Power Ambition under Xi Jinping Suisheng Zhao, 2021-12-14 Instead of emphasizing China as a developing country Chinese President Xi Jinping has identified China as a big power and accentuated China's big power status This book explores the narratives and driving forces behind China's big power ambition Three narratives rooted in Sino centralism are examined One is China's demands for the reform of global governance to reflect the values and interests of China as a rising power Another is China's Belt and Road Initiative to construct a nascent China centred world order The third is the China model and self image promotion in the developing countries There are many forces that have driven or constrained China's big power ambition This collection focuses on two sets of forces One is China's domestic politics and economic incentives and disincentives The other is China's geo political and geo economic interests These forces have both motivated and constrained China's big power ambition The chapters in this book were originally published in the Journal of Contemporary China

Congressional Record , **Modification of Treaties by Subsequent Practice** Irina Buga, 2018-04-04 While treaties can be notoriously difficult to amend by formal means they must nevertheless be adapted over time in order to remain useful Herein lies the role of subsequent practice as a key tool for treaty change Subsequent practice a well established means of treaty interpretation sometimes diverges from the original treaty provision to such an extent that it can no longer be said to constitute an act of interpretation or application Rather it becomes in effect one of treaty modification The modification of treaties by subsequent practice extends to all fields of international law from the law of the sea environmental law and investment law to human rights and humanitarian law Such modifications can have significant practical consequences from revising or creating new rights and obligations to establishing new institutional mechanisms Determining when and how treaty modification by subsequent practice occurs poses difficulty to legal scholars and dispute settlement bodies alike and impacts States expectations as to their treaty obligations This significant yet underexplored process is the focus of this book Modification of Treaties by Subsequent Practice proves that subsequent practice can under carefully defined conditions that ensure strict accordance with the will of the treaty parties alter supplement and terminate treaty provisions or even entire treaty frameworks It can also generate customary law and fuel regime interaction Ultimately this book demonstrates the relevance and dynamism of the process of treaty modification by subsequent practice emphasizing the need to deal with the issue head on and explains on a theoretical and practical level how it can be identified and dealt with more consistently in the future The book thus contributes to a deeper understanding of the process of treaty modification by subsequent practice and its continued role in striking the judicious balance between the stability of treaties on the one hand and the organic evolution of the law on the other **Artificial Intelligence and Global Security** Yvonne R.
