Natural Science Olympiad

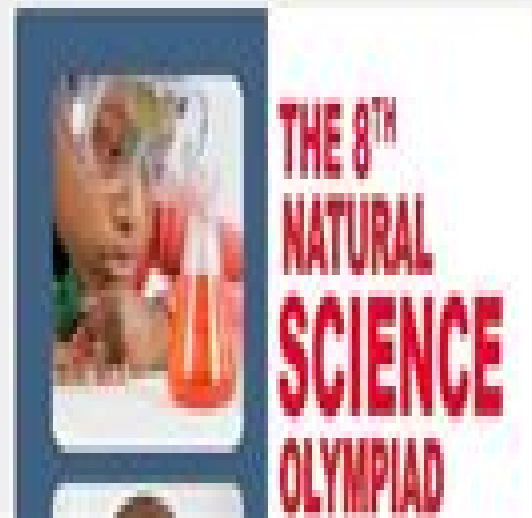

[You are here: Home / Competitions / Natural Science Olympiad](#)

The aim of the Natural Science Olympiad is to identify and nurture talent in Natural Science, Life Science and Accounting; to increase the number of learners who opt for Physical Science, Life Science, Accounting and Mathematics at high schools; and to act as a feeder for SAASTA's National Science Olympiad for grades 10 - 12, which is now in its 53rd year.

The aim of the Olympiad is also to help learners prepare for the year's upcoming natural science syllabus and showcase some of South Africa's brightest young scientists in the making.

Preparation for the Natural Science Olympiad starts at the beginning of the year, when schools register for the competition and learners start preparing for the examination.
