Getting it Right General Conference of Seventh-Day Adventists, Youth Dept

Staff, General Conference of Seventh-Day Adventists. Youth Department, 2005 the Sunday School Teachers' Magazine, and Journal of Education The Proprietors, 1857 **Reason of the Hope** Ronie F. Magcamit, 2020-04-08 For many years the secular world has treated the word faith as a jargon that cannot be proven by anything tangible. People who still believe in God are considered unreasonable and lack understanding of the real world. Sadly, some Christians who join churches rely on blind faith with no or very minimal ability to defend their beliefs when they get cross-examined by a non-believer. In *Reason of the Hope*, author Ronie F. Magcamit focuses on ten major faith-related topics or issues asked by young Christians and secular people. He discusses the reliability of scriptures, creation versus evolution, end-time events, reformation, ten commandments, apologetics, life and miracles of Jesus, teachings in parables, the resurrection of Christ, and the second coming of Jesus. Ronie presents some of the usual objections to Christianity and provides practical responses for a new generation of Christians. *Reason of the Hope* encourages you to build your faith in Christ and enables you to help others build their faith as well.
