Secret Service Agent (Uniformed) National Learning Corporation, 2018-11 The Secret Service Agent Uniformed Passbook R prepares you for your test by allowing you to take practice exams in the subjects you need to study It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam including but not limited to evaluating conclusions in light of known facts memorization exercising good judgment in law enforcement situations understanding and interpreting written material and other related areas

To Be a U.S. Secret Service Agent Henry Holden, 2006-05-15 The Secret Service was established after the Civil War by the Treasury Department originally to protect American currency against counterfeiters After the assassination of President William McKinley in 1901 Congress directed the Secret Service to protect the President of the United States Protection remains the primary mission of the United States Secret Service It takes a special type of individual to be a U S Secret Service agent one willing to take a bullet to preserve the ideals on which the United States was founded To Be a U S Secret Service Agent lifts the curtain for a look inside this secretive law enforcement agency including the highly selective recruiting the intense training and the specialized weapons and equipment used to protect current and past Presidents Vice Presidents their families and visiting heads of state

Secret Service Agent (Uniformed) National Learning Corporation, 2011 The Secret Service Agent Uniformed Passbook R prepares you for your test by allowing you to take practice exams in the subjects you need to study It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam including but not limited to evaluating conclusions in light of known facts memorization exercising good judgment in law enforcement situations understanding and interpreting written material and other related areas

SECRET SERVICE AGENT (UNIFORMED) National Learning Corporation, 2019

Inside the Secret Service Louise Spilsbury, 2018-12-15 How secretive do Secret Service agents have to be Do they protect other people besides the president What kind of training do you need to become a Secret Service agent These are important questions to ask if someone is interested in a career with the Secret Service and the answers are waiting to be discovered in this fun and fact filled reading experience As readers explore exiting main text sidebars fact boxes and graphic organizers

they learn about how a person becomes a Secret Service agent and what their day to day life is like in this dangerous line of work *Junior Secret Service Agent Training Manual* U.S. Department of the Interior, 2014-09-19 United States Secret Service Agents protected Springwood the home of Franklin D Roosevelt in Hyde Park New York for the 12 years that he was President of the United States of America Franklin D Roosevelt was the 32nd President and the only president ever elected to 4 terms which means he would hold that office for 16 years in a row President Roosevelt died on April 12 1945 at the beginning of his fourth term His death ended the need for the Secret Service to keep the family home and lands safe for him Their job at Springwood had started long before that when he was elected as President for the first time in November 1932 Today you can explore what it was like to be one of President Roosevelt s Secret Service Agents working here at Springwood As you visit the President s home grounds and different buildings test yourself to see if you have what it takes to protect the President by finishing your chosen activities in this Training Manual Secrets of the Secret Service Gary J. Byrne, Grant M. Schmidt, 2018-01-02 From the author of the 1 New York Times bestseller CRISIS OF CHARACTER comes an explosive new expos of the Secret Service The United States Secret Service is tasked with protecting our Presidents their families and the complex in which they live and work Given this important mission world stability rests upon the shoulders of its agents In his new book former Secret Service officer Gary Byrne takes readers behind the scenes to understand the agency s history and today s security failings that he believes put Americans at risk The American public knows the stories of Secret Service heroism but they don t know about the hidden legacy of problems that have plagued the agency ever since its creation Gary Byrne says that decades of catastrophic public failures near misses and bureaucratic and cultural rot threaten to erode this critical organization from the inside out Today as it works to protect President Trump the Secret Service stands at a crossroads and the time needed to choose the right course is running out Agents and officers are leaving the Secret Service in droves or they re being overworked to the point where they lose focus on the job Management makes decisions based on politics not the welfare of their employees Byrne believes that this means danger for the men and women of the Secret Service danger for the President they protect and danger for the nation In this book he shares what he has witnessed and learned about the Secret Service with the hope that the problems of this most important agency can be fixed before it s too late **Careers in the United States Secret Service** Institute for Career Research, 2017-01-07 THE UNITED STATES SECRET SERVICE is the oldest federal law enforcement agency in the nation and is recognized as one of the most elite in the world It is a self contained organization not part of the FBI or CIA At the mention of the Secret Service most people conjure up images of big men in dark suits and sunglasses surrounding the leader of the free world wherever he goes Indeed the agency has a long history of protecting not only presidents but vice presidents their families foreign dignitaries and even presidential hopefuls However this is only part of the Secret Service story The agency was initially created as a division of the Treasury Department In the wake of the Civil War there was a large quantity of phony money in circulation In fact it is

estimated that more than one third of American currency was counterfeit at the time President Abraham Lincoln established the Secret Service to combat the problem and to ensure the integrity of the nation s financial infrastructure Ironically Lincoln signed the legislation creating the agency on April 14 1865 the very day John Wilkes Booth assassinated him Yet it would be another 36 years before the Secret Service assumed the responsibility of protecting American presidents Since its inception the agency has been investigating and guarding against financial crimes such as counterfeiting identity theft computer fraud money laundering and all types of financial fraud It also took on anyone perpetrating mass frauds against the government which included the likes of the Ku Klux Klan among others In 2003 the Secret Service was transferred to the Department of Homeland Security Today it fights crime on a global scale investigating a growing list of technology based crimes such as cyber attacks against the nation s financial and telecommunications infrastructure and technological attacks that hack into government systems There are training programs for Secret Service special agents totaling 27 weeks The agency provides one of a kind training designed to prepare agents for the high level of responsibility they will take on Making it this far does not guarantee entry to the Secret Service Failure to pass any test along the way is cause for immediate disqualification New special agents who do successfully get through training are assigned to posts in one of the agency s domestic field offices It takes several years of experience in a field office before an agent is qualified to transfer to protective duty Officers in the Uniformed Division also go through months of rigorous training Unlike special agents who can be assigned to offices anywhere in the US or overseas officers in the Uniformed Division are typically assigned to protect government buildings and embassies in and around Washington DC A career with the Secret Service is more than a job Each day is challenging and demanding yet exciting and rewarding all at the same time It takes hard work and dedication to prepare for this career but those who have made it insist the effort is well worth it The rewards start with great pay great benefits opportunities for travel and fascinating work First and foremost it is an honor and a privilege to ensure the safety of the nation

SPECIAL AGENT, SECRET SERVICE National Learning Corporation,2019 *The Politics of Protection* Philip H. Melanson,1984

A Career as a Secret Service Agent Therese M. Shea,2015-07-15 Readers will love learning about the exciting careers of Secret Service agents This book will introduce readers to the federal law enforcers who protect and serve the federal government The text includes Secret Service history missions and different jobs involved with a career in this federal force The text also addresses the skills necessary to land them a job as a Secret Service agent Brilliant color photographs will bring the daily jobs of a Secret Service agent to life High interest and information rich text will spark the interest of even the most reluctant reader Sidebars and a graphic organizer add to the book to make it a dynamic and unforgettable read
