Banjo, Keshia Morant Williams, 2017-11-30 Contemporary Christian Culture Messages Missions and Dilemmas studies Christian media its meanings and its impact on social perceptions and lived experiences in a multicultural context and from within a communication framework This interdisciplinary collection expands the dialogue surrounding race culture and Christian messages and provides a valuable resource for researchers educators and church practitioners who are interested in understanding how racial and cultural identity are impacted by religious media products

Neighbours Howard Bracey, 2013-08-21 This Volume XIII of twenty one in a collection on Class Race and Social Structure First published in 1964 this text looks neighbour behaviour of new estates and subdivisions in England and U S A The study derives from a survey begun on new housing estates near Bristol England in 1957 and continued on a number of new subdivisions near Columbus Ohio in 1958 and 1959 The enquiry was designed to study the adjustment of mainly urban families to life in new rural urban fringe neighbourhoods

The Christian Century, 1916 **The Church Militant** Graham R. Smith, 2016-11-08 A worldview of spiritual warfare is widely held among charismatics and Pentecostals but it has been criticized for producing paranoia and

denying personal responsibility It is less well known that the term was first used in print around 1970 by Anglican charismatics What did it mean to them then and what are the practical effects of their worldview Should we now be adopting a more sophisticated ontology of evil such as Nigel Wright's non ontological realist view or Amos Yong's apophatic theology of the demonic rather than the traditional one that Satan and demons are real ontological entities This practical theological study begins with a study of Anglican charismatic pioneers and an in depth case study of a charismatic Anglican congregation before grappling with the ontological question in dialogue with Wright together with Barth and Walter Wink Yong and Gregory Boyd A fresh engagement with the biblical texts then argues for a positive realist ontology for rebellious demonic powers and presents a Trinitarian model of spiritual warfare praxis that emphasizes personal responsibility and promotes freedom from fear

Christian Register and Boston Observer, 1927 *The Western Christian Advocate*, 1897 *Daily Graphic* Yaw Boadu-Ayebofoh, 2005-12-05 *Perception-based Marketing of Parishes using the example of Catholic Academics and Students* Thomas Peters, 2019-03-28 The Roman Catholic Church in Germany is faced with an increasingly pluralistic and secularized society that further precipitates the decline in membership that has been ongoing already since the 1970s through instances of aging population and church leavings and has been causing at the level of locally and regionally operating parishes and their establishments a growing shortage of personnel and other resources Here a marketing communication that is based on target group specific perception can be useful to remedy the situation in that the religious and social offers as well as the personal and media appearance of parishes are adjusted to population groups that credit to their socioeconomic potentials are able to substantially contribute to building social capital in church contexts Particularly Catholic Academics with high affinity to the Church make their comprehensive individual professional and financial resources available more frequently and more consistently for voluntary engagements than the majority of the German population A group that positively engages to great extent is that of those students and Academics who are organized in Catholic student fraternities or associations and their local institutions A targeted involvement of this small but high resourced population group in local church activities can be a substantial and existential aid for the Catholic Church in Germany and sustain its further development This is explored and discussed on the example of the largest academic association in Europe Cartel Confederation of the Catholic German Student Associations CV in German Cartellverband der katholischen deutschen Studentenverbindungen and attached specific practical recommendations for parish marketing The Germany based research results can be applied to other European countries such as Austria and Switzerland Furthermore the discussion of results offer a broad range of new perspectives and ideas for church marketing in those countries which have a living culture of denominational student associations

The Living Church, 1943 **St. Andrew's Cross**, 1895

In God's Image Matthew Akim Tomlinson, 2009-03-10 Today most indigenous Fijians are Christians and the Methodist Church is the foundation of their social and political lives Yet as this thought provoking study of life on rural Kadavu Island

finds Fijians also believe that their ancestors possessed an inherent strength that is lacking in the present day Looking in particular at the interaction between the church and the traditional chiefly system Matt Tomlinson finds that this belief about the superiority of the past provokes great anxiety and that Fijians seek ways of recovering this strength through ritual and political action Christianity itself simultaneously generates a sense of loss and the means of recuperation To unravel the cultural dynamics of Christianity in Fiji Tomlinson explores how this loss is expressed through everyday language and practices
