An Introduction to Medical Teaching Kathryn N. Huggett, Kelly M. Quesnelle, William B. Jeffries, 2022-03-16 This is an introductory text designed to provide medical teachers with a comprehensive introduction to the core concepts of effective teaching practice. It contains introductory level information about innovations for curriculum design, delivery, and assessment all in a singular text. The work offers brief, focused chapters with content that can be easily assimilated by the reader. The topics are relevant to basic science and clinical teachers, and the work does not presume readers possess prerequisite knowledge of education theory or instructional design. The book builds upon and extends the content of the second edition by incorporating additional content to reflect advances in cognitive science and by updating existing chapters to keep pace with modern educational trends and technologies.

Ready-to-Use Social Skills Lessons & Activities for Grades 4 - 6 Ruth Weltmann Begun, 1998-07-27 This unique Library gives teachers and specialists a stimulating, systematic way to develop positive social behaviors in students of all abilities, grades 4-12. Included are over 125 tested lessons and reproducible worksheets in two separately printed, self-contained volumes, each tailored to the developmental needs of students at a particular grade level: 4-6 or 7-12. For easy use, the lessons in each volume follow a uniform format including titles, behavioral objective, and simple 8-step lesson plan. The lesson activities and worksheets are based on real-life situations and help build students' self-esteem, self-control, and respect for the rights of others.

Milliken's Complete Book of Instant Activities - Grade 4 Deborah Kopka, 2010-09-01 With more than 110 easy-to-use reproducible worksheets, this series is ideal for enrichment or for use as reinforcement. Synergies of English for Specific Purposes and Language Learning Technologies Milorad Tošić, 2017-06-23 Bilingualism and multilingualism both make a major contribution in cross-cultural interaction but at the same time improve various cognitive abilities such as better attention and multitasking. Meaning in the world around us is represented by means of the language that is used for communication and knowledge exchange between intelligent individuals. The phenomena of human interaction and communication are recently experiencing unprecedented influence from digital technologies. Language learning is part of the global revolution, meaning that language learning technologies are playing an increasingly important role in learning English for Specific Purposes. This volume addresses theoretical and practical aspects of learning technology adoption and pedagogy in the context of English for Specific Purposes.
