**Essential Forms for Therapists** Kate Brewer, 2008-03-24 Proper documentation is critical to your success. Clear the confusion streamline processes and ensure accuracy with Essential Forms for Therapists. For a rehab facility proper documentation is the most critical aspect of financial survival. But unfortunately it is an area that causes confusion for clinical and non clinical staff alike. If therapists do not document properly they run the risk of improper reimbursement and denials. And even if done properly documentation can be time consuming and difficult. Simplify the process and ensure accuracy. This book and CD ROM set features over 100 modifiable forms including Therapy registration forms Plan of treatment for outpatient rehabilitation forms Plan of progress forms Therapy daily notes forms and flow sheets. All are designed and tested by experts in the field to ensure that critical information is recorded accurately. Save time and streamline your processes. The book is divided into four sections for your convenience Therapy documentation Managed care Personnel management and human resources Essential CMS. And the CD ROM includes additional sections for job descriptions and performance reviews. These forms can easily be customized to fit individual or clinic needs and are geared toward all therapy staff.
