

Program Evaluation & Impact Measurement Guide

Community Impact Grant Program

Ecclesiastical Insurance is proud to support Canadian charities through the organization's signature Canadian giving initiative, the Community Impact Grant Program. This annual program is administered under the auspices of Benefact Trust, our charitable trust owner. It provides funding for registered Canadian charities looking to implement special projects designed to benefit youth, help at risk and underserved people, or support the preservation of Canada's history and diversity.

Grant submissions are reviewed by the Canadian Grant Giving Committee and are awarded based on the following criteria:

- A detailed description of the problem the non-profit organization hopes to address
- A clearly defined target population
- A detailed description of the project offered
- A detailed description of the impact of the project upon the community or region
- A detailed description of the project's long-term sustainability and success
- A detailed description of the project's budget and financial soundness
- A detailed description of the project's evaluation and provide outcomes—types of data to be collected; timeline for data collection
- A detailed description of the project's financial soundness

view of the language, key concepts, and impact measurement. It is designed to be a process and is based on a position paper prepared by Ghebray Consulting.

Program Evaluation Robert L. Schalock,C.V.D. Thornton,1988-07-31 This book is written to help human service program administrators either in terpret or conduct program evaluations Our intended audience includes admin istrators and those students being trained for careers in human services administration Our focus is on persons interested in assessing programs in which people work with people to improve their condition The book s title Program Evaluation A Field Guide for Administrators describes how we hope you use this book as a tool In writing the book we have attempted to meet the needs of persons who have to conduct program evaluations as well as those who must use those evaluations Hence we have attempted to make the book user friendly You will find for example numer ous guidelines cautions and specific suggestions Use the book actively Our primary motive is to help administrators make better decisions In fact the primary reason for program evaluation is to help program administrators make good decisions These decisions often must balance the goals of

equity or fairness in the distribution of goods and services among people in the economy efficiency obtaining the most output for the least resources and political feasibility Take for example the administrator who must decide between a new program favored by some of the program's constituents and maintaining the status quo which is favored by other constituents **A**
