The Social Worker's Guide to Children and

Families Law Lynn Davis, 2014-05-28 This is the only book social workers need to make sense of the key elements of children's and family law. Now in a fully updated second edition it reflects recent changes including the Working Together to Safeguard Children guidelines for inter agency working, Children and Families Act 2013 and the Crime and Courts Act 2013.

Social Work with Children and Families Penelope Welbourne, 2012-06-14 There is an increasing emphasis on post qualifying training for social workers especially in the complex and demanding area of working with children and families. This essential textbook is especially designed for practitioners studying at this level. Accessible and thorough, the text focuses on a mixture of conceptual and organisational topics, skills, law, policy and key practice issues. It includes chapters on Social work values and ethics, Risk, uncertainty and accountability, Direct work with children and young people, Promoting security and stability, Working with reluctant service users, Assessment of parenting, Working with poverty, drugs and alcohol, Going to court and the legal framework, Children and young people going home, Supporting others in their professional development. Using case studies and activities to link research, theory and practice, *Social Work with Children and Families* takes a wider look at the role and tasks of an experienced social work practitioner and the skills and knowledge needed to develop professionally from this point.

Child Protection, Domestic Violence and Parental Substance Misuse Hedy Cleaver, 2007 This book draws on a wide range of evidence to explore the facts about the relationship between substance misuse and domestic violence and their effect on children and examines the response of children's services when there are concerns about the safety and welfare of children. It reveals the vulnerability of these children and the extent to which domestic violence, parental alcohol or parental drug misuse impact on children's health and development, affect the adults' capacity to undertake key parenting tasks and influence the response of wider family and the community. It includes parents' own voices and allows them to explain what help they feel would best support families in similar situations. The authors explore the extent to which current local authority plans, procedures, joint protocols and training support information sharing and collaborative working. Emphasising the importance of an holistic inter agency approach to assessment, planning and service provision, the authors draw from the findings, implications for policy and practice in both children and adult services. This book is essential reading for all professionals working to promote the welfare and wellbeing of children and those working with vulnerable adults, many of whom are parents.

Early Literacy Work with Families Cathy Nutbrown, Peter Hannon, Anne Morgan, 2005-09-15 The Raising Early Achievement in Literacy or REAL project was the result of a collaboration between the University of Sheffield, Sheffield LEA and schools and centres across the city of Sheffield starting in 1995. For those interested in developing their own projects in this field, it will provide essential information. It contains many examples of work carried out in this project. Many examples are given that could prompt practitioners to identify ways in which they too could focus their own input with children or help their parent group to interact with their children's developing literacy. *Early Years Update* A must read for practitioners, policy makers and researchers interested in the detail.

and the theory underpinning this important family literacy initiative Neil McClelland OBE Director National Literacy Trust The REAL Project is one of the best conceptualized most intensively documented and successful British family literacy initiatives and the book provides a comprehensive overview of all aspects of this powerful project It is essential reading for anyone working alongside families to promote children s early development Professor Nigel Hall Institute of Education Manchester Metropolitan University The project described in detail in this book is arguably the most important and well researched UK initiative for developing early literacy work with parents of young children Readers will find inspirational case studies There are illuminating insights into children s perspectives on family literacy including good news about fathers and boys Don t miss it Marian Whitehead Nursery World Anyone involved in the field of early childhood literacy should be familiar with the work of the REAL Raising Early Achievement in Literacy Project Here leading members of the project team Cathy Nutbrown Peter Hannon and Anne Morgan discuss the research An essential guide to the subject this book will be of great practical use to all in the field of early childhood literacy students practitioners and course leaders on literacy and early childhood courses The authors discuss the policy contexts of early childhood and literacy today and use their experience of the REAL project to discuss and illustrate practical research and evaluation strategies for family literacy workers They examine the issues from all perspectives teachers parents and young children The book concludes with examples of how the theoretical framework of the REAL Project ORIM has been used by other practitioners and an examination of the implications of such work for the future of early childhood and literacy policy development The book also includes An informative update on research in the field A description of the family literacy programme Useful activities for family literacy work Guidelines for interviewing parents and children Suggestions for how to evaluate family literacy work Ideas for practical sessions for professional development for family literacy workers A Guide to further reading This is an important book and should be read by anyone wishing to keep pace with the field of family literacy in early childhood education [Creative Responses to Child Sexual Abuse](#) Sue Richardson, Heather Bacon, 2003-01-15 Using attachment theory as a foundation this book addresses in depth the acute practice dilemmas concerning children who despite the climate of increased awareness multi disciplinary cooperation and legislative and procedural change cannot easily be protected The contributors give guidelines for working with the children [Child Protection in America](#) John E.B. Myers, 2024-10-11 Child abuse and neglect are tragically common Each year more than 1 000 American children die due to maltreatment Thousands more suffer physical abuse sexual abuse and neglect Across the country every community has a system of government operated and funded child protective services CPS But given that social workers of CPS have the authority to remove children from unsafe parents it is no surprise that CPS is controversial Does CPS protect children Does CPS do more good than harm Is CPS fundamentally racist as some critics argue Should CPS be abolished To answer these questions it is essential to understand the origins of child protection in America How did we arrive at the child protection system in place today This book traces the history of child protection

from colonial times to the present and provides the most in depth analysis ever published of the origins of child protection
