

## PATROL GUIDE

Section: Department Property

Procedure No. 219-29

### DISTRIBUTION AND USE OF NYPD RESTRICTED PARKING PERMITS

DATE ISSUED:  
07/22/20

DATE EFFECTIVE:  
07/22/20

REVISION NUMBER:

PAGE:  
1 of 7

#### PURPOSE

To provide for the distribution, accountability, use and restrictions of the NYPD Restricted Parking Permit.

#### DEFINITION

NYPD Restricted Parking Permit (Misc. 23-N): Cardboard, approximately four inches by ten inches with serial number, command code, space for vehicle license plate number and an expiration date (permit color, design and expiration date will change each year).

#### PROCEDURE

To account for the distribution and use of Department issued NYPD Restricted Parking Permits.

#### NOTE

##### ELIGIBILITY REQUIREMENTS FOR RESTRICTED PARKING PERMITS

*Only members of the service are eligible to receive a Restricted Parking Permit. Under NO circumstance will non-members of the service be assigned permits. Members of the service must meet the following requirements to be deemed ELIGIBLE for a Restricted Parking Permit:*

- a. Member must have a valid NYS driver's license and the vehicle that the Restricted Parking Permit is requested for must have a valid NYS registration (this requirement is not applicable for members of the service with certain exempted titles, i.e., certain employment titles allow members to reside outside of New York City and the resident counties). Any member of the service with an exempted title must comply with the regulations of this procedure based upon the licensing, registration and insurance regulations of the state in which they reside.*
- b. The vehicle that the Restricted Parking Permit is requested for must have a valid insurance policy.*
- c. The vehicle that the Restricted Parking Permit is requested for must be registered to the requesting member of the service, or to a person related by blood or marriage, or to the requesting member's registered NYS domestic partner. The residence of the vehicle's registered owner (member of the service, relative or NYS domestic partner) must be the same residence the requesting member of the service has on record with the Department.*

*When a member of the service applies for a Restricted Parking Permit, it is permissible to have a Post Office (P.O.) box listed on the member's driver's license, registration and/or insurance card. However, in all cases the member of the service's address of record with the DMV for his/her license and registration, as well as the address on record with the insurance company for the auto insurance all must match the primary residence the member of the service has on record with the Department.*

*If the mailing address on the registration of the vehicle is a P.O. box, the requesting member MUST attach to the application proof that the insurance policy of the vehicle is issued to the same address as the member's primary residence on record with the Department.*

## **Nypd Sergeant Patrol Guide:**

*NYPD Confidential* Leonard Levitt, 2009-07-21 For years the police commissioner and the mayor of New York City have duked it out for publicity credit and power Some have translated their stardom into success after leaving office while others have been hung out to dry In the battle for control of the country's most powerful police force these high status government officials have often chosen political expediency over public honesty The result is a legacy of systemic corruption and cover ups that is nothing less than shocking Respected journalist Leonard Levitt has covered the NYPD for New York Newsday and the New York Post among other papers His columns have made him persona non grata in police headquarters In *NYPD Confidential* he reveals everything he's discovered throughout his decades long career With amazing details of backroom deals and larger than life powerbrokers Levitt lays bare the backstabbing power grabs and chaotic internal investigations that have run the NYPD's reputation into the ground in the past and the forces conspiring to do so once again **The NYPD**

**Tapes** Graham A. Rayman, 2013-08-06 From the Pulitzer Prize nominated reporter an account of a modern day Serpico's battle with an all powerful police department somber and inspiring Publishers Weekly In May 2010 NYPD officer Adrian Schoolcraft made national headlines when he released a series of secretly recorded audio tapes exposing corruption and abuse at the highest levels of the police department But according to a lawsuit filed by Schoolcraft against the City of New York instead of admitting mistakes and pledging reform Schoolcraft's superiors forced him into a mental hospital in an effort to discredit the evidence In *The NYPD Tapes* the reporter who first broke the Schoolcraft story brings his ongoing saga up to date revealing the rampant abuses that continue in the NYPD today including warrantless surveillance and systemic harassment Through this lens he tells the broader tale of how American law enforcement has for the past thirty years been distorted by a ruthless quest for numbers in the form of CompStat the vaunted data driven accountability system first championed by New York police chief William Bratton and since implemented in police departments across the country Forced to produce certain crime stats each quarter or face discipline cops in New York and everywhere else fudged the numbers robbing actual crime victims of justice and sweeping countless innocents into the police net Rayman paints a terrifying picture of a system gone wild and the pitiless fate of the whistleblower who tried to stop it A tale of crime prevention turned upside down in the Bloomberg era Rayman has invented a new genre the police misprocedural Tom Robbins New York Times bestselling author *The Secret Files: Bill Deblasio, The NYPD, and the Broken Promises of Police Reform*

Micheal Hayes, 2025-05-13 An unprecedented breakdown of the NYPD's powerful network of police unions pro police lawyers and top brass who work relentlessly to shield police officers from any real accountability For readers of long form hard hitting journalistic exposés like *We Own This City* a compelling look at how we do and don't hold police responsible in America by an award winning progressive reporter covering the NYPD police beat In 2018 reporter Michael Hayes uncovered a major story about how the NYPD was not only turning a blind eye to police misconduct but also allowing hundreds of

officers with severe misconduct charges to remain on the force In the aftermath of that story then Mayor Bill de Blasio attempted to reform the department only to abandon his plans While de Blasio may have suffered a political setback it s New Yorkers who are the true victims of this failure to deliver accountability and transparency The state has a law that specifically prevents the public from learning about concealed police records New Yorkers are increasingly distrustful of the police after witnessing their loved ones being targeted brutalized and murdered with near impunity Hayes takes readers inside decades of police corruption and controversial laws chronicling the stories of the families and activists who have had enough He makes a compelling case for the limits of reform in the aftermath of the major Black Lives Matter rallies following the murder of George Floyd and growing calls to defund the police      *The Day After* Jason Randazzo,2023-03-15 *The Day After* The Life and Times of a New York FBI Agent tells the true stories of an FBI agent and some of the cases that were investigated in New York throughout a twenty eight year career The cases and events involve a variety of investigations that have been publicized in the news and a few that the public have never heard about The inner workings of the New York Office of the FBI are described in detail which allows the reader to envision how this relatively secretive world operates from the viewpoint of the rank and file brick agent As in my first book entitled *Just Another Day* this book also reveals the stories of interactions with characters on both sides of the law And the characters run from my neighborhood friends and associates in New York to those individuals whom you have seen either in the news on the television or in social media      **NYPD Green** Luke Waters,2016-01-12 In this inspiring inside tour of the human toll and the satisfactions of becoming a cop The New York Times Irish immigrant and retired NYPD homicide detective Luke Waters takes us inside the New York City police department and offers a glimpse at the grit the glory and the sometimes darker side of the police force Growing up in the rough outskirts of northern Dublin at a time when joining the guards the army or the civil service was the height of most parents ambitions for their children Luke Waters knew he was destined for a career in some sort of law enforcement Dreaming of becoming a police officer Waters immigrated to the United States in search of better employment opportunities and joined the NYPD Despite a successful career with one of the most formidable and revered police forces in the world Waters s reality as a cop in New York was a far cry from his fantasy of serving and protecting his community Over the course of a career spanning more than twenty years from rookie to lead investigator during which time he saw New York transform from the crack epidemic of the nineties to the low crime stats of today Waters discovered that both sides of the law were entrenched in crooked culture Balanced with wit and humor NYPD Green features colorful characters Waters has met along the way as well as a surprisingly frank Kirkus Reviews and critical look at the darker side of police work A multifaceted and engaging narrative about the immigrant experience in America Waters s story is also one of personal growth success and disillusionment a rollicking journey through the day to day in the New York Police Department      *The Policing Machine* Tony Cheng,2023-12-13 A revelatory look at how the NYPD has resisted change through strategic and selective community

engagement The past few years have seen Americans express passionate demands for police transformation But even as discussion of no knock warrants chokeholds and body cameras has exploded any changes to police procedures have only led to the same outcomes Despite calls for increased accountability police departments have successfully stonewalled change In *The Policing Machine* Tony Cheng reveals the stages of that resistance offering a close look at the deep engagement strategies that NYPD precincts have developed with only subsets of the community in order to counter any truly meaningful democratic oversight Cheng spent nearly two years in an unprecedented effort to understand the who and how of police community relationship building in New York City documenting the many ways the police strategically distributed power and privilege within the community to increase their own public legitimacy without sacrificing their organizational independence By setting up community councils that are conveniently run by police allies handing out favors to local churches that will promote the police to their parishioners and offering additional support to institutions friendly to the police the NYPD like police departments all over the country cultivates political capital through a strategic politics that involves distributing public resources offering regulatory leniency and deploying coercive force The fundamental challenge with police community relationships Cheng shows is not to build them It is that they already exist and are motivated by a machinery designed to stymie reform

**TASER® Conducted Electrical Weapons: Physiology, Pathology, and Law** Mark W. Kroll, Jeffrey D. Ho, 2009-02-27 TASER Conducted Electrical Weapons are rapidly replacing the club for law enforcement control of violent subjects within many countries around the globe A TASER CEW is a hand held device that delivers a 400 volt pulse with a duration tuned to control the skeletal muscles without affecting the heart at a distance of up to 6 5 meters over tiny wires If necessary it begins with an arcing voltage of 50 000 V to penetrate thick clothing the 50 000 V is never delivered to the body itself Due to the widespread usage of these devices and the widespread misconceptions surrounding their operation this book will have significant utility This volume is written for cardiologists emergency physicians pathologists law enforcement management corrections personnel and attorneys

Death Work Vincent E. Henry, 2004-04-01 In this fascinating new book Vincent Henry a 21 year veteran of the NYPD who recently retired to become a university professor explores the psychological transformations and adaptations that result from police officers encounters with death Police can encounter death frequently in the course of their duties and these encounters may range from casual contacts with the deaths of others to the most profound and personally consequential confrontations with their own mortality Using the survivor psychology model as its theoretical base this insightful and provocative research ventures into a previously unexplored area of police psychology to illuminate and explore the new modes of adaptation thought and feeling that result from various types of death encounters in police work The psychology of survival asserts that the psychological world of the survivor one who has come in close physical or psychic contact with death but nevertheless managed to live is characterized by five themes psychic numbing death guilt the death imprint suspicion of counterfeit nurturance and the struggle to make meaning These themes

become manifest in the survivor's behavior permeating his or her lifestyle and worldview. Drawing on extensive interviews with police officers in five nominal categories: rookie officers, patrol sergeants, crime scene technicians, homicide detectives, and officers who survived a mortal combat situation in which an assailant or another officer died, Henry identifies the impact such death encounters have upon the individual, the police organization, and the occupational culture of policing. He has produced a comprehensive and highly textured interpretation of police psychology and police behavior, bolstered by the unique insights that come from his personal experience as an officer, his intimate familiarity with the subtleties and nuances of the police culture's value and belief systems, and his meticulous research and rigorous method. *Death Work* provides a unique prism through which to view the individual, organizational, and social dynamics of contemporary urban policing. With a foreword by Robert Jay Lifton and a chapter devoted to the local police response to the World Trade Center attacks, *Death Work* will be of interest to psychologists and criminal justice experts as well as police officers eager to gain insight into their unique relationship to death.

*Wage and Hour Cases*, 2009. Text of opinions of Federal and state courts and administrative tribunals under statutes relating to minimum wages, maximum hours, overtime compensation, child labor, equal pay, wage stabilization, with tables of cases.

**A Street Survival Guide for Public Safety Officers** Daniel Rudofossi, 2017-08-09. An expansion of Dr. Rudofossi's theory of Police and Public Safety Complex Trauma, this text integrates other models of trauma and loss into a one-of-a-kind intervention model. It offers insider perspectives from police psychologists, police managers, and clinicians describing what police personnel experience on the job along with expert intervention.

**Beat Cop to Top Cop** John F. Timoney, 2011-06-21. Born in a rough and tumble neighborhood of Dublin, John F. Timoney moved to New York with his family in 1961. Not long after graduating from high school in the Bronx, he entered the New York City Police Department, quickly rising through the ranks to become the youngest four-star chief in the history of that department. Timoney and the rest of the command assembled under Police Commissioner Bill Bratton implemented a number of radical strategies, protocols, and management systems, including CompStat, that led to historic declines in nearly every category of crime. In 1998, Mayor Ed Rendell of Philadelphia hired Timoney as police commissioner to tackle the city's seemingly intractable violent crime rate. Philadelphia became the great laboratory experiment: Could the systems and policies employed in New York work elsewhere? Under Timoney's leadership, crime declined in every major category, especially homicide. A similar decrease, not only in crime but also in corruption, marked Timoney's tenure in his next position as police chief of Miami, a post he held from 2003 to January 2010.

*Beat Cop to Top Cop: A Tale of Three Cities* documents Timoney's rise from his days as a tough street cop in the South Bronx to his role as police chief of Miami. This fast-moving narrative, by the man *Esquire* magazine named America's Top Cop, offers a blueprint for crime prevention through first-person accounts from the street, detailing how big city chiefs and their teams can tame even the most unruly cities. Policy makers and academicians have long embraced the view that the police could do little to affect crime in the long term. John Timoney has devoted his career to

dispelling this notion Beat Cop to Top Cop tells us how      The 9/11 Commission Report National Commission on Terrorist Attacks,2011-05-16 Nearly three thousand people died in the terrorist attacks of September 11 2001 In Lower Manhattan on a field in Pennsylvania and along the banks of the Potomoc the United States suffered the single largest loss of life from an enemy attack on its soil In November 2002 the United States Congress and President George W Bush established by law the National Commission on Terrorist Attacks Upon the United States also known as the 9 11 Commission This independent bipartisan panel was directed to examine the facts and circumstances surrounding the September 11 attacks identify lessons learned and provide recommendations to safeguard against future acts of terrorism This volume is the authorized edition of the Commission s final report      The Ultimate Guide to Serial Killers Skyhorse Publishing,2020-04-21 A Thorough Comprehensive Guide to Serial Killers for True Crime Fans Equal parts fascinating and horrifying the stories of serial killers like Ted Bundy and Jeffrey Dahmer have taken on a new cultural prominence with the rise of the true crime genre Now The Ultimate Guide to Serial Killers offers murder fans and curious readers a new opportunity to learn about the lives and histories of these infamous criminals in greater depth and detail than ever before Featuring extensive information about the backgrounds crimes and aftermaths victims arrests and trials and current lives of serial killers across the globe as well as a variety of supplemental information mug shots and crime scene photos letters from murderers and information on victims and survivors this book is an essential guide for all true crime fans or any reader who wants an insight into the dark minds of the most notorious criminals in the world Included in The Ultimate Guide to Serial Killers among many others are Ted Bundy The Zodiac Killer John Wayne Gacy Aileen Wuornos Son of Sam Jeffrey Dahmer The BTK Killer Gary Ridgway Samuel Little Karla Homolka and Paul Bernardo      *Leadership through the Lens* Creshema R. United States     Suspects William J. Caunitz, 2016-01-12 An NYPD detective investigates a double homicide in a Brooklyn candy store in a thriller by the New York Times bestselling author of One Police Plaza In Greenpoint everyone comes to Yetta's A candy store one block west of McGoldrick Park it's a neighborhood landmark the place where Brooklynites come to sip a soda buy a paper and argue about gentrification But when Lt Joe Gallagher comes by to drop off a birthday cake for Yetta he doesn't notice the homeless man standing outside Gallagher has just handed over the cake when the man enters drops his shopping bag and pulls out a shotgun The lieutenant doesn't have time to reach his revolver before he's blown away Yetta is the next to die Investigating the double homicide Det Lt Tony Scanlon discovers that Gallagher was more than an ordinary hard drinking hardworking Irish cop And as more killings follow Scanlon knows that this will be a summer of blood for the NYPD

**I, Michael Bennett** James Patterson, Michael Ledwidge, 2012-07-09 Police officers shot judges murdered and Detective Michael Bennett is the killer's next target Detective Michael Bennett arrests an infamous Mexican crime lord in a deadly chase that leaves Bennett's lifelong friend dead From jail the prisoner vows to rain epic violence down upon New York City and to get revenge on Michael Bennett To escape the chaos Bennett takes his ten kids and their beautiful nanny Mary Catherine on a much needed vacation to his family's cabin near Newburgh New York But instead of the calm and happy town he remembers from growing up they step into a nightmare worse than they could have ever imagined Newburgh is an inferno of warring gangs and there's little the police or Bennett can do to keep the children safe As violence overwhelms the state Bennett is torn between protecting his hometown and saving New York City A partner in his investigations federal prosecutor Tara McLellan brings him new weapons for the battle and an attraction that endangers his relationship with Mary Catherine A no holds barred pedal to the floor action packed novel I Michael Bennett is James Patterson at his most personal and most thrilling best

Family Crimes Against the Elderly Patricia J. Brownell, 2014-01-14 First Published in 1999 Family Crimes Against the Elderly A Study of Elder Abuse and the New York Police Department represents an important contribution to the available knowledge on elder abuse as a criminal justice issue While most studies of elder abuse to date have examined this social problem from a health mental health or social service perspective few have focused on it from the perspective of law enforcement

**MoleMen** Antonio Arcibo, 2008-07 Sergeant Al Ramon and Officer Luis Mendez know that policing New York City essentially means managing chaos The volume of radio calls for police service makes it virtually impossible to patrol and enforce the law for every infraction of state penal law Beneath the city policing is even more challenging Officers patrolling Transit Manhattan South face the same hazards as street crime cops but the tunnels and trains make it much more difficult to affect an apprehension the transit systems provides criminals with an elaborate labyrinth that help them elude to police When Sergeant Ramon is ordered to tighten discipline and improve the transit cops performance through the N Y P D's tickets and arrests quotas he faces a tough decision motivate activity or lose his job due to department budget cuts Watching his platoon every move is newly assigned Inspector Dek sent in to ensure transit officers meet the departments

demands MoleMen a dark fictional comedy is loosely based on the politics and policing in New York City Follow Ramon and Mendez as they try to save their transit buddies jobs You ll experience the same day to day frustrations and pressures police officers feel to issue summonses and make the arrests that sell the public on efficient policing MoleMen shows how quickly officers can lose touch with the public as they generate the quotas for which One Police Plaza and the mayor hunger
