Manpower and the Armies of the British Empire in the Two World Wars Andrew L. Brown,Douglas E. Delaney,Mark Frost,2021-06-15 In the first and only examination of how the British Empire and Commonwealth sustained its soldiers before during and after both world wars a cast of leading military historians explores how the empire mobilized manpower to recruit workers care for veterans and transform factory workers and farmers into riflemen Raising armies is more than counting people putting them in uniform and assigning them to formations It demands efficient measures for recruitment registration and assignment It requires processes for transforming common people into soldiers and then producing officers staffs and commanders to lead them It necessitates balancing the needs of the armed services with industry and agriculture And often overlooked but illuminated incisively here raising armies relies on medical services for mending wounded soldiers and programs and pensions to look after them when demobilized Manpower and the Armies of the British Empire in the Two World Wars is a transnational look at how the empire did not always get these things right But through trial error analysis and introspection it levied the large armies needed to prosecute both wars Contributors Paul R Bartrop Charles Booth Jean Bou Daniel Byers Kent Fedorowich Jonathan Fennell Meghan Fitzpatrick Richard S Grayson Ian McGibbon Jessica Meyer Emma Newlands Kaushik Roy Roger Sarty Gary Sheffield Ian van der Waag *Retail Crime, Security, and Loss Prevention* Charles A. Sennewald,John H. Christman,2011-08-29 Retail Crime Security and Loss Prevention is destined to become the go to source of crime and loss prevention related information in the retail industry Written and edited by two nationally recognized retail security experts and enhanced with 63 contributions by others who

contribute expertise in specialized areas this book provides over 150 definitions of loss prevention terms and discusses topics ranging from accident investigations counterfeit currency emergency planning and workplace violence to vendor frauds No other single work contains such a wealth of retail security information The co authors are Charles Chuck Sennewald CSC CPP former Director of Security at The Broadway Department Stores a major division of Carter Hawley Hale Stores Inc founder of the IAPSC and author of numerous security industry books and John Christman CPP former VP and Director of Security for Macy's West They have put in one book a wealth of information techniques procedures and source material relative to retail crime and loss prevention which will prove an invaluable reference work for professionals at all levels within the industry Tables current industry figures and statistics fully articulate the impact of loss prevention and theft in the retail setting Case examples from the authors own experience illustrate real world problems and connect theory to practice The most complete book available on retail security *Document Retrieval Index* ,1976 *Doing Security* M.

Button,2008-10-22 Despite the growing interest in security amongst governments organizations and the general public the provision of much security is substandard This book explores the problems facing security and sets out innovative proposals to enhance the effectiveness of security in society at national and organizational levels *Law Books Published* ,1995
