

# Application for Health Coverage & Help Paying Costs

Form Approved  
OMB No. 0938-1191

THINGS TO KNOW

## Use this application to see what coverage you qualify for

- Affordable private health insurance plans that offer comprehensive coverage to help you stay well.
  - A new tax credit that can immediately help pay your premiums for health coverage.
  - Free or low-cost insurance from Medicaid or the Children's Health Insurance Program (CHIP).
- You may qualify for a free or low-cost program even if you earn as much as \$9,4,000 a year (for a family of 4).**

## Who can use this application?

- Use this application to apply for anyone in your family.
- Apply even if you or your child already has health coverage. You could be eligible for lower-cost or free coverage.
- If you're single, you may be able to use a short form. Visit [HealthCare.gov](http://HealthCare.gov).
- Families that include immigrants can apply. You can apply for your child even if you aren't eligible for coverage. Applying won't affect your immigration status or chances of becoming a permanent resident or citizen.
- If someone is helping you fill out this application, you may need to complete Appendix C.

## Apply faster online

Apply faster online at [HealthCare.gov](http://HealthCare.gov).

## What you may need to apply

- Social Security numbers (or document numbers for any eligible immigrants who need insurance)
- Employer and income information for everyone in your family (for example, from paystubs, W-2 forms, or wage and tax statements)
- Policy numbers for any current health insurance
- Information about any job-related health insurance available to your family

## Why do we ask for this information?

We ask about income and other information to let you know what coverage you qualify for and if you can get any help paying for it. **We'll keep all the information you provide private and secure, as required by law.** To view the Privacy Act Statement, go to [HealthCare.gov](http://HealthCare.gov) or see instructions.

## What happens next?

Send your complete, signed application to the address on page 7. **If you don't have all the information we ask for, sign and submit your application anyway.** We'll follow up with you within 1–2 weeks. You'll get instructions on the next steps to complete your health coverage. If you don't hear from us, visit [HealthCare.gov](http://HealthCare.gov) or call 1-800-318-2596. Filing out this application doesn't mean you have to buy health coverage.

## Get help with this application

- **Online:** [HealthCare.gov](http://HealthCare.gov)
- **Phone:** Call our Help Center at 1-800-318-2596.

## **Obamacare Marketplace Application On Paper:**

Obamacare Implementation United States. Congress. House. Committee on Oversight and Government Reform, 2014

**Obamacare: What's in It for Me?** Wendell Potter, 2013-12-06 On January 1 2014 the most important consumer protections in ObamaCare the Affordable Care Act go into effect With both supporters and opponents of the law debating its merits and its controversial rollout there is a need for news you can use types of resources from credible third parties Enter Wendell Potter author of *Deadly Spin* and former health insurance executive *Obamacare What's in It for Me* is the authoritative source for Americans needing to know how the law will affect them and their families How will it affect the millions of Americans who already have coverage through their employers People who work for small companies that don't offer coverage The unemployed People who are in their 20s 30s and 40s some of whom may find that coverage costs them more than before Older Americans not yet eligible for Medicare many of whom will be able to get much more affordable coverage Medicare beneficiaries Low to moderate income individuals and families People with pre-existing conditions Children As a former insurance industry insider and now a recognized expert on ObamaCare Wendell Potter is perfectly positioned to explain to a wide audience hungry for the real story without the spin of just what this health care overhaul means for all of us

Health Insurance in America C. W. Conrad, 2020-05-21 When you hear the words Health Insurance do you break out into a cold sweat When you call your insurance company are you more confused and frustrated about your coverage after you hang up You are not alone Some studies say that more than one in four people in America have avoided care or treatment because they were unsure of what their health insurance covered and a surprisingly large number of people were unsure if they even had health insurance *Health Insurance in America* a consumer's guide is the first comprehensive health insurance guide written specifically for you the consumer to help you navigate the complex and often confusing world of Health Insurance and make better decisions It's written in easy to understand language and filled with real life examples Regardless of your prior experience or knowledge of insurance you will find this guide to be an important part of your library Now includes a look at the health insurance impact during the coronavirus pandemic of 2019 2020

**The End of Employer-Provided Health Insurance** Paul Zane Pilzer, Rick Lindquist, 2014-11-06 How to save 20 to 60 percent on health insurance *The End of Employer Provided Health Insurance* is a comprehensive guide to utilizing new individual health plans to save 20 to 60 percent on health insurance This book is written to ensure that you your family and your company get your fair share of the trillions of dollars the U S government will spend subsidizing individual health insurance plans between now and 2025 You will learn how to navigate the Affordable Care Act to save money without sacrificing coverage and how to choose the plan that offers exactly what you your family and your company need Over the next 10 years 100 million Americans will move from employer provided to individually purchased health insurance The purpose of *The End of Employer Provided Health Insurance* is to show you how to profit from this paradigm shift while

helping you your family and your employees get better and safer health insurance at lower cost It will help you save thousands of dollars per person each year and protect you from the greatest threat to your financial future our nation s broken employer provided health insurance system We are at the beginning of a paradigm shift in the way businesses offer employee health benefits and the way Americans get health insurance a shift from an employer driven defined benefit model to an individual driven defined contribution model This parallels a similar shift in employer provided retirement benefits that took place two to three decades ago from defined benefit to defined contribution retirement plans Written by a world renowned economist and New York Times best selling author this insightful guide explains how individual health insurance offers more to employees than employer provided plans Using the techniques outlined in this book you and your employer will save money on health insurance by migrating from employer provided health insurance coverage to employer funded individual plans at a total cost that is 20 percent to 60 percent lower for the same coverage That s 4 000 to 12 000 in savings per year for a family of four for the same hospitals same doctors and same prescriptions

**Medicare Made Easy** William Wells,2013-12-01 Medicare Made Easy describes the nuts and bolts of Medicare and Health Insurance in an easily understandable orderly and readable fashion This edition is a primer for Medicare and Health Insurance for 2013 and 2014 Things you need to know about Medicare and Health Insurance are covered Every day all across America approximately ten thousand people will turn sixty five years of age and become eligible for Medicare It will continue at this rate until the year 2022

**A New, Open Marketplace** United States. Congress. Senate. Committee on Health, Education, Labor, and Pensions,2015 *Health Insurance Exchanges* United States. Congress. Senate. Committee on Finance,2015

**PPACA Implementation Failures** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health,2014

**Healthcare Fraud** Rebecca S. Busch,2012-05-01 An invaluable tool equipping healthcare professionals auditors and investigators to detect every kind of healthcare fraud According to private and public estimates billions of dollars are lost per

hour to healthcare waste fraud and abuse A must have reference for auditors fraud investigators and healthcare managers Healthcare Fraud Second Edition provides tips and techniques to help you spot and prevent the red flags of fraudulent activity within your organization Eminently readable it is your go to resource equipping you with the necessary skills to look for and deal with potential fraudulent situations Includes new chapters on primary healthcare secondary healthcare information data management and privacy damages risk management and transparency Offers comprehensive guidance on auditing and fraud detection for healthcare providers and company healthcare plans Examines the necessary background that internal auditors should have when auditing healthcare activities Managing the risks in healthcare fraud requires an understanding of how the healthcare system works and where the key risk areas are With health records now all being converted to electronic form the key risk areas and audit process are changing Read Healthcare Fraud Second Edition and get the valuable guidance you need to help combat this critical problem Leveraging Data in Healthcare Rebecca Mendoza Saltiel Busch, 2017-07-27 The healthcare industry is in a state of accelerated transition The proliferation of data and its assimilation access use and security are ever increasing challenges Finding ways to operationalize business and clinical data management in the face of government and market mandates is enough to keep most chief officers up at night Leveraging Data in Healthcare Pamela Herd, Donald P. Moynihan, 2019-01-09 Winner of the 2020 Outstanding Book Award Presented by the Public and Nonprofit Section of the National Academy of Management Winner of the 2019 Louis Brownlow Book Award from the National Academy of Public Administration Bureaucracy confusing paperwork and complex regulations or what public policy scholars Pamela Herd and Donald Moynihan call administrative burdens often introduce delay and frustration into our experiences with government agencies Administrative burdens diminish the effectiveness of public programs and can even block individuals from fundamental rights like voting In Administrative Burden Herd and Moynihan document that the administrative burdens citizens regularly encounter in their interactions with the state are not simply unintended byproducts of governance but the result of deliberate policy choices Because burdens affect people's perceptions of government and often perpetuate long standing inequalities understanding why administrative burdens exist and how they can be reduced is essential for maintaining a healthy public sector Through in depth case studies of federal programs and controversial legislation the authors show that administrative burdens are the nuts and bolts of policy design Regarding controversial issues such as voter enfranchisement or abortion rights lawmakers often use administrative burdens to limit access to rights or services they oppose For instance legislators have implemented administrative burdens such as complicated registration requirements and strict voter identification laws to suppress turnout of African American voters Similarly the right to an abortion is legally protected but many states require women seeking abortions to comply with burdens such as mandatory waiting periods ultrasounds and scripted counseling As Herd and Moynihan demonstrate administrative burdens often disproportionately affect the disadvantaged who lack the resources to deal with the financial

and psychological costs of navigating these obstacles. However, policymakers have sometimes reduced administrative burdens or shifted them away from citizens and onto the government. One example is Social Security, which early administrators of the program implemented in the 1930s with the goal of minimizing burdens for beneficiaries. As a result, the take-up rate is about 100 percent because the Social Security Administration keeps track of people's earnings for them, automatically calculates benefits and eligibility, and simply requires an easy online enrollment or visiting one of 1,200 field offices. Making more programs and public services operate this efficiently, the authors argue, requires adoption of a nonpartisan evidence-based metric for determining when and how to institute administrative burdens with a bias toward reducing them. By ensuring that the public's interaction with government is no more onerous than it need be, policymakers and administrators can reduce inequality, boost civic engagement, and build an efficient state that works for all citizens. *Health Insurance Today - E-Book*

Janet I. Beik, Julie Pepper, 2020-09-10

Master the complexities of health insurance with this easy-to-understand guide. *Health Insurance Today: A Practical Approach*, 7th Edition, provides a solid foundation in basics such as the types and sources of health insurance, the submission of claims, and the ethical and legal issues surrounding insurance.
