Causey Enterprises, LLC, *Pushing Miles* Wendy Crockett, Ian McPhee, 2024-02-02 The incredible true story of a 100,000 mile motorcycle world record attempt where the only thing that didn't break was their spirit. In the spring of 2022, renowned long distance motorcycle riders Wendy Crockett and Ian McPhee set out to execute their meticulously planned World Record ride attempt. The premise was simple enough: Visit every Australian state in alphabetical order, documenting each visit by photographing the state's capitol building. The approach would then be replicated in the United States, visiting a grand total of 58 capitols on an epic road trip adventure spanning two continents and three countries. Reality hit hard with the revelation that absolutely nothing about this undertaking was destined to go smoothly. Yet even in the face of unfathomable adversity, including breakdowns, illness, animals, strikes, historic weather events and multiple hospitalizations, this tenacious duo refused to abandon their quest. Fueled by boundless optimism and unrelenting determination, *Pushing Miles* is a brutally honest and surprisingly humorous look at what it takes to make an uphill ride into endurance motorcycling history. **WALNECK'S**
