**32 Quick and Fun Content Area Computer Activities Grade 3** Kathy Kopp, 2006-02 Incite 3rd grade students enthusiasm to learn using technology in the curriculum Youll enhance learning and encourage high order thinking by incorporating a technology project for every week of the school year Students will develop key technology skills in word processing spreadsheets multimedia presentations and using the Internet while you teach regular classroom content Lessons are divided among content areas and the flexible projects are great for computer centers labs or one computer classrooms The easy to follow teacher instructions and step by step student directions make this resource a hit in the classroom The included Teacher Resource CD contains sample projects templates and assessment rubrics 160pp *Creating Lifelong Math and Science Learners* Mary Taylor Overton, 2007-10 The purpose of this volume is to unseal or reveal the mysteries in the prophecy of Daniel The book of Daniel is the ONLY example in the entire bible of a prophecy that was shut up and or sealed in antiquity This is a mysterious phrase and is the reason the book is NOT well understood to the present time The shutting up or sealing of the book must mean that the full and complete MEANING of the prophecy would NOT be revealed to the understanding of men That is until the arrival of a time period called the time of the end See Dan 12 9 This appears to be the exact case because there are things in the prophecy that clearly have NOT been correctly understood to this very day Examples of these misunderstood things in the prophecy include 1 The meaning of the phrase the time of the end 2 The historical identity of the willful king of Dan 11 36 3 The true meaning of the word indignation in 8 19 11 36 4 The historical connection between the sale of the land in 11 39 AND the willful king of 11 36 5 The separation of the prophecy between ancient and modern This approximate 1900 years time span is seen between 11 39 and 40 The first mention of sealing is seen in 8 26 where the Archangel Gabriel instructs Daniel to shut thou up the vision for it shall be for many days Gabriel is referring to Daniel s vision of chapter 8 It seems the shutting up of that vision contributes to the later sealing of the entire book In 12 4 the Archangel Gabriel instructed Daniel to shut up the words and seal the BOOK even to the time of the end KJV Note The word even is a supplied word as it does not appear in the original The Septuagint LXX uses the word to instead of even Gabriel instructed Daniel to seal the book in 12 4 but he tells Daniel in 12 9 to Go thy way Daniel for the words are closed up and sealed till the time of the end Gabriel must have assumed that Daniel had effectively sealed the book according to his previous instructions The mysterious phrase the time of the end is mentioned 5 times in the prophecy Some writers have said this is a short period of several decades time that will occur just before the end of human history on earth However one must assume from these verses that the TRUE MEANING of the prophecy would then be fully understood at or during the time of the end Most writers have assumed the existence of only ONE time of the end in the book However it is easily proved there are two such periods and they are parallels of each other The first period occurred at the end of the Jewish era The second period will occur at the end of the Gentile era The present volume is a calculated attempt to unseal the prophecy

One reason for this idea is that the world now lives in the last time of the end After all the prophecy states that it would be sealed to the time of the end The clear inference is that it would be unsealed at or during that time period Because of a decades long prayerful and diligent historical search every mystery in the prophecy has now been revealed in the present volume The prophecy can now be fully understood for the first time since the archangel Gabriel and Daniel sealed it over 2000 years ago
