Recklessly Royal The Royal Series English Edition:

Reckless Royal Emily Silver, 2021-06-15 The playboy prince is about to meet his match Women Fast Cars VIP access to all of London's hottest clubs It didn't matter because I was never supposed to ascend the throne But suddenly I'm first in line and every single move I make is splashed across the headlines for all to see To redeem my image as the reckless royal the queen has found a suitable woman for me to marry A woman so opposite my type it's laughable But as I get to know her there's something that draws me in Her soft eyes Her big heart The way everyone around her falls under her spell I never expected to fall in love Losing my heart might be the most reckless thing I've ever done Reckless Fellows Edward

Bujak, 2015-09-25 The Royal Flying Corps later the Royal Air Force was formed in 1912 and went to war in 1914 where it played a vital role in reconnaissance supporting the British Expeditionary Force as air cavalry and also in combat establishing air superiority over the Imperial German Air Force Edward Bujak here combines the history of the air war including details of strategy tactics technical issues and combat with a social and cultural history The RFC was originally dominated by the landed elite in Lloyd George's phrase from the stateliest houses in England and its pilots were regarded as knights of the air Harlaxton Manor in Lincolnshire seat of landed gentry became their major training base Bujak shows how within the circle of the RFC the class divide and unconscious superiority of Edwardian Britain disappeared absorbed by common purpose technical expertise and by an influx of pilots from Canada Australia New Zealand and South Africa He thus provides an original and unusual take on the air war in World War I combining military social and cultural history *Royal Reckoning* Emily Silver, What happens when this Princess no longer wants to be Princess Princess Not just a title but my entire life I live my life for everyone but me Destined to inherit the throne one wrong move and I'm plastered across the tabloids I'm tired of it Tired of being in the public spotlight With a royal holiday in sight I make a run for it Right into the arms of a mysterious tattoo artist Who has no idea who I really am For the first time in my life I finally feel like me No advisors demanding my attention or press snapping an unwanted picture of me But when the real world comes crashing back down I'll have to make the biggest choice of my life Putting the needs of my country first or following my heart **Royal Relations**

Emily Silver, What happens when I'm told the one man I'm falling for is off limits As third in line to the British throne I have to behave a certain way Do what I'm told Put my best foot forward And I do it because I love my family my country and my work But when I meet the man of my dreams and I'm told I can't see him I take matters into my own hands Secret dates Covert meetings I'll do whatever it takes to be with the devilishly handsome man who has tunneled his way into my heart His touch His smiles The heat in his eyes when he looks at me We can't last sneaking around avoiding anything and everything The queen forbids it I could lose everything But when he smiles at me like that What's a princess supposed to do
