Joy Through the Night Aída Besançon Spencer, William David Spencer, 2007-06-01 Joy Through the Night uniquely combines personal experience and scholarship in order that readers may face the most difficult questions Christians can ask If God is good and all powerful how can the world be so shot through with evil What about the pain of so many children and other innocent people And why is God letting me hurt so much so long Aida and William Spencer draw on the suffering they have faced including chronic disease and the untimely death of a sibling to ask these questions on a practical down to earth level But they also draw on their extensive theological training and ministry experience to present biblical resources for dealing with suffering In the end this is a book both realistic and hopeful offering reassurance that even in the midst of pain we can know joy as we learn to rely on God and the communal care of the church It will prove a valuable aid to those who minister to them
