Copycat Recipes & Copycat Restaurant Favorites Melissa Pot,2020-08-16 THIS BOOK INCLUDES Copycat Recipes and Copycat Restaurant Favorites Are you looking for a complete guide to cook restaurant dishes at home Then keep reading Over the years people have observed cultural practices that involved cooking for each other and eating together People would normally gather for the breaking of bread and bonding

Sometimes cooking has also been used as a gesture to show someone that you care about him or her. This could be done in the occurrence of a crisis during a celebration for entertainment or just nourishment. Those kitchen moments when people bond while cooking is usually very beneficial to an individual. I think it is true that most of us have favorite restaurants and favorite dishes in those restaurants that we love to eat. Whether it's fried chicken, burgers, ribs, steak, seafood, a dessert or even just a salad with a particularly delicious dressing, we all know that even thinking about our favorite dish prepared in the right way can really make water for our mouths. However, it may not be possible to eat out at a restaurant as often as you want regardless of how much you might enjoy it. Of course, money can be a problem; can you afford to take your family to a restaurant as often as you want? And it's worth remembering that even if you could afford to go to a restaurant every night, you probably wouldn't. Eating together at home is often more realistic and comfortable. Of course, considering the demands of family life, school nights, it can also be a great opportunity to bring your family closer together. I'm expecting a lot of people. It's not that you don't want to go to restaurants; it's just that you need to eat at home on some occasions and you want your own kitchen to be able to prepare your favorite restaurant style dishes. The secret, of course, is to know the recipe for that dish. Restaurants tend to keep the exact details of their recipes a secret, of course, and I'm not going to pretend that there's a way around that, but what you can do is get hold of a complete copycat recipe book which contains recipes designed to taste similar to your favorite restaurant dishes. While the copycat recipes may not be exact duplicates, you may be shocked at how close they are to the originals, and it is certainly possible that you might even end up preferring a dish's home-made version. If you're interested in these Copycat, then this book is for you. This book covers the following topics: Famous breakfast recipes, Appetizers I, Appetizers II, Lunch chicken, Lunch fish, Dinner Soups and side dishes, Sauces and dressing, Desserts, Pasta, Pizza, Compilation of famous main dishes I, Compilation of famous main dishes II, Compilation of main dishes III, Timeless restaurant favorites, Other restaurant favorites I, Other restaurant favorites II, and so much more.
