Christmas Holidays Nicolae Sfetcu, 2016-12-29 Second to Easter Christmas is the most important feast of the Christian liturgical calendar That is why Christmas is a public holiday in most countries of Christian tradition This holiday allows family reunion around a festive meal shared worship masses and religious services and the exchange of gifts Christmas is celebrated during the night of December 24 to 25 and December 25 all day As a Christian festival it commemorates every year the birth of Jesus of Nazareth Originally it was at that date that pagan festivities marked the winter solstice symbol of the rebirth of the sun The Christian festival was positioned on the same date in order to replace these parties and symbolically to associate the birth of Christ to the notion of increasing light The period around Christmas is called holiday season and it includes the celebration of the New Year Since the mid twentieth century this holiday is losing its religious aspect while keeping alive the tradition of the festival In this spirit Christmas has a folk connotation preserving the grouping

of family units around a meal and exchange gifts around the traditional tree Alpha And Omega Isaac Jalal,2022-02-22 The book Alpha and Omega covers pre existent names of the Messiah prophecies and predictions about the coming of the Messiah foretold in the Old Testament This book guides readers through some of the usual arguments about the existence of God and the self existence of Christ before His incarnation as Jesus Following the very first verse in the Bible Genesis 1 1 provides the roadmap for the rest of Jesus s biblical story as represented in the New Testament from His birth through His crucifixion resurrection and second coming This study restates the subjects and events based exclusively on biblical accounts and known historical facts in exceptional detail Jesus Always Existed The Old Testament prophets recognized Jesus as God Almighty or Jehovah God the First and the Last Exod 6 3 Isa 44 6 48 12 In the Old Testament Jesus is not referred to by His earthly name Jesus His true identity is revealed in the New Testament after His holy birth to Virgin Mary when God s angel told Mary to name Him Jesus Luke 1 30 31 He was chosen before the creation of the world but was revealed in these last times for your sake 1 Pet 1 20 Jesus s true identity was reaffirmed in the book of Revelation I am the Alpha and the Omega says the Lord God who is and who was and who is to come the Almighty Rev 1 8 Who Was Jesus and What Was His Message Different individuals have different views of Jesus To some He is either a prophet or enlightened man To others He was a revolutionary or political defiance To the believers however Jesus is the Son of God the Alpha and the Omega which He is

Mary and Mariology , *Encyclopedia of New Year's Holidays Worldwide* William D. Crump,2016-03-30 Among the world s myriad cultures and their associated calendars the idea of a New Year is relative and hardly specifies a universal celebration or even a universal point in time Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods music dancing noisemaking fireworks and drinking This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year beyond its traditional Western associations with Christmas National or regional entries detail the principal traditions and customs of 130 countries while 27 entries discuss major calendar systems in current use or of significant historical interest The remaining entries cover a wide variety of subjects including literary works movies and television specials the customs of specific ethnic groups universal customs such as toasting and drinking football bowl games and parades and the New Year celebrations at the White House and the Vatican **The Lion Led the Way** Dwight Hutchison,2021-07-07 Was there a meaningful stellar sign over Bethlehem What did it look like to someone looking up at the night sky Did wise men really come from the East seeking Israel s Messiah sometime after the birth of Jesus The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia Important aspects of Babylonian astronomy seem to be involved in understanding the star s appearing But in addition The Lion Led the Way also explores the men and events from a profoundly Jewish perspective The traditional Jewish names of stars and planets Jewish symbols as well as Jewish dates all seem to be keys to unlocking the mystery of the famous star The star of

Bethlehem was not the brightest of the heavenly lights nor was it the most spectacular starry manifestation of all time. However, it was part of the most meaningful set of celestial events in human history. The God of Israel is surprising. His ways are not our ways; his thoughts are not our thoughts. The star gives us a concrete example of God's intervention in the universe. Book website: www.starofbethlehem.info

MUL.BABBAR: The Messiah's Star Dwight Reed Hutchison, 2024-07-19. Was there a star announcing the coming of the Jewish Messiah at the end of the first millennium BC? Did wise men come from the east seeking the newly born king of the Jews? How can one be sure? MUL BABBAR: The Messiah's Star approaches the Star of Bethlehem from a Jewish and Babylonian perspective. Babylonian astronomy and royal symbolism seem to give clues about the star. However, the royal celestial signs related to the coming of the Messiah are also connected directly to Judaism and the Bible. The Messiah's star announced the coming of a great king, The Greatest of Kings, destined to rule the world. This book is an updated, improved, and expanded version of *The Lion Led the Way* by the same author. *Jewish Daily Bulletin Index*, 1926

New Saints Rev. Dr. Abel Manoukian, 2015-04-02. The present volume introduces the development of Canonization in the Armenian Church Tradition and professes strongly to canonize the Armenian Martyrs on the eve of the 100th Anniversary of 1915 Genocide Commemoration. How will this joint canonization be conveyed with regards to the massive number of genocide victims? Will it be done through individualization or by the following decree: All those who died for their Christian faith? It is important for the Armenian Church to take the latter approach for it is only God who knows as He is the one who sanctifies either a person or a collective for their sacrifice and testimony of faith. Of course, it would have been better if our Church had many years ago taken the necessary steps of enlightening our people as to why we needed to sanctify our martyrs, why their canonization is valuable to us now and to future generations as well. Let this booklet be a small offering in fulfilling what this prospect essentially lacks.

Galatians (Catholic Commentary on Sacred Scripture) Cardinal Albert Vanhoye, Peter S. Williamson, 2019-04-30. Catholic Church? Why Not? Jack Scissons, 2023-03-30 This is a fictionalized account of journal entries of a newly ordained Catholic priest in a small rural community in western Canada He became a priest in mid life after being married to his childhood sweetheart studying social work at university working in the development of affordable housing and losing his wife to ALS These journals describe his first few months trying to reconcile the current teachings of the church about married male and female priests abortion divorce assisted dying and LGBTQIA rights with the core teachings of the Gospels such as love tolerance and forgiveness as he provides spiritual care to his parishioners in his first pastoral assignment

The Hymnographic Book of Tropologion Svetlana Kujumdzieva, 2017-11-08 The Tropologion is considered the earliest known extant chant book from the early Christian world which was in use until the twelfth century The study of this book is still in its infancy It has generally been believed that the book has survived in Georgian translation under the name ladgari but similar books have been discovered in Greek Syriac and Armenian All the copies clearly show that the spread and the use of the book were much greater than we had previously assumed and the Georgian ladgari is only one of its many versions The study of these issues unquestionably confirms the earliest stage of the compilation of the book in Jerusalem or its environs and shows its uninterrupted development from Jerusalem to the Stoudios monastery the most important monastery of Constantinople Over time many new pieces and new authors were added to the Tropologion It is almost certain that it was the Stoudios school of poet composers that divided the content of the Tropologion and compiled separate collections of books each one containing a major liturgical cycle In the beginning all of the volumes kept the old title but in the tenth century the copies of the book were renamed probably according to the liturgical repertory included and by the thirteenth century the title Tropologion is no longer found in the Greek sources as it became superfluous and fell out of use
