The Billionaires' Love Club by April McQueen, 2024-10-30. Laura meets a handsome and charming man and cannot believe her luck, especially when she meets a second guy and then a third. Will Laura be able to choose one man? The gifts started showing up. Alex was partial to long-stemmed red roses, and this time was no different. Don sent her bottles of Merlot. Ricky sent her weekly salon and spa gift cards. After she received each gift, she texted the same message to each of the three: "Oh, how thoughtful." Each gift served to remind her of what was special about their dates and the man who had lavished her with attention. The gifts gave the guys a chance to show off their wealth but also to declare their love for her. She wondered how each could be so committed and love-struck over her after such a short time period. They only had one girl to focus on where she had three very different eligible guys to choose from.
