Romans For The Practical Messianic:

Romans for the Practical Messianic J. K. McKee, 2015-01-03 Paul's letter to the Romans is easily discerned to be the most influential letter ever written in human history. It has had a significant impact on religious authorities, governmental authorities, and philosophies on God, human behavior, and societal order. There is no denying the great theological importance that the Epistle to the Romans has had throughout Christian history, especially since the Protestant Reformation. Romans was written against the backdrop of both the Apostle Paul setting his ministry activity westward toward Spain and the Roman Jewish Believers returning to Rome after the Edict of Claudius, finding that things would not exactly be the same with the assembly of Messiah followers being majority non-Jewish. Paul's letter to the Romans was written as a presentation of his theology of the gospel to a group of people with whom he was not directly acquainted but also to issue some admonitions to their circumstances so that all might get along. Romans is a key epistle for Pauline theology to be sure regarding issues surrounding salvation, justification, and righteousness, the Jewish people and the Kingdom of Israel, the nations, and the Torah of Moses. Yet Romans is also about some significant First Century issues regarding the redemption of the Jewish people and the nations and them functioning together in one Body of Messiah. In much of Romans examination only up until the past few decades, Paul's letter has principally been viewed as a theological treatise and not a letter written to ancient Messiah followers. While there are many useful perspectives and insights offered by those past voices who have considered Romans, the setting of Romans is quite important and most relevant for the broad contemporary Messianic movement. Much of the ancient setting of Romans with the Jewish Believers getting reintegrated into the fellowships of Believers parallels much of what we see in our own faith community. The Messianic movement of today is a majority non-Jewish group of people, yet both Jewish and non-Jewish Believers do rely on one another and should be eagerly about loving one another with mutual affection, outdoing one another in showing honor. Romans 12:10 NRSV. This Messianic study on Romans is definitely one produced for the 2010s and for the challenges that the Messianic movement presently faces. TNN Online editor J. K. McKee offers a compelling examination of this letter, appreciating the perspectives of Law-positive Christian traditions which have preceded us but one which is also engaged with some contemporary perspectives. These include proposals present via the New Perspective on Paul studies and thoughts regarding the I of Romans ch. 7 egalitarian views regarding figures such as Phoebe and Junia in Romans ch. 16 and most especially current Messianic handling of the topic of Israel in Romans chs. 9-11. Romans for the Practical Messianic is a commentary that should be welcome in many Messianic libraries as it interjects some well-needed information into our developing theology of both Paul and the mission of God. Also included in this commentary is an exposition on Acts 28:11-31, Paul's arrival in Rome. From Moses to Messiah Salvador Ung Hayworth, 2018-08-19. A series of studies going through the whole of the Book of Romans, dealing with Jewish and Gentile integration in the Messiah and the questions surrounding the Laws and the covenants in Scripture. This book follows the thread of Paul's thought.

through Romans building on the foundation of the life situation of Paul's readers. However, this book also seeks to expound on those concepts and apply them to us today. **The Life and Times of Jesus the Messiah** Alfred Edersheim, 1883

Misunderstanding Galatians M. I. Cha, 2021-09-16 This commentary on Galatians seeks to provide an originalist understanding of the epistle by viewing Paul as a Torah-observant apostle of the Messiah who was arguing against compulsory proselyte conversion into Pharisaic Judaism and not the Old Testament law of God in general. As such, this commentary pays closer attention to the perpetuity of the Old Testament law of God. Paul's nuanced use of law (*nomos*), Jewish oral tradition, and the historical context of gentile proselyte conversion in Paul's time. The goal of this commentary is to combine the strengths of evangelical hermeneutics and recent advances in Pauline studies to arrive at a more accurate understanding of the original author's intended meaning within his own historical context. *Life and Times of Jesus the Messiah* Alfred Edersheim, 1992-06-01 One of the best-known references on the life of Christ now available in one unabridged volume. Alfred Edersheim's *The Life and Times of Jesus the Messiah* is a storehouse of information on the background of the New Testament. This classic work successfully portrays the streets, the marketplaces, the religious conflicts, the people, and the places of Jesus' earthly ministry. This updated edition features text reset in modern print along with several new maps and illustrations. In addition, Roman numerals have been changed to Arabic numbers, Greek and Hebrew words transliterated, and the indexes corrected and updated. Edersheim divides his work into five sections or books: Book 1, The Preparation for the Gospel; Introductory historical, religious, political, and cultural material based on the author's extensive knowledge of Jewish lore and customs; Book 2, From Bethlehem to Jordan, The background of Herod and his reign, St. John the Baptist, and his message and the birth and baptism of Jesus; Book 3, From Jordan to the Mount of Transfiguration, Thirty-seven chapters explore the miracles and teachings of Jesus' early ministry; Book 4, The Descent into the Valley of Humiliation, A history of the latter part of Jesus' ministry from the Transfiguration to the journey to Jerusalem; Book 5, The Cross and the Crown, A chronicle of each day of Passion Week from Palm Sunday to the Resurrection. Appendices: Valuable background material on Jewish history, tradition, and law. Alfred Edersheim (1825-1889) was a Vienna-born biblical scholar who converted from Judaism to Christianity. A veteran minister and missionary to the Jews of Romania, Edersheim left an enduring and priceless legacy to followers of Christ. Among his most widely read works are *The Life and Times of Jesus the Messiah*, *The Temple: Its Ministry and Services*, and *Bible History: Old Testament*. *Religious Dissent in the Roman Empire* Vasily Rudich, 2015-03-24 *Religious Dissent in the Roman Empire* is the third installment in Vasily Rudich's trilogy on the psychology of discontent in the Roman Empire at the time of Nero. Unlike his earlier books, it deals not with political dissidence but with religious dissent, especially in its violent form. Against the broad background of Second Temple Judaism and Judaea's history under Rome's rule, Rudich discusses various manifestations of religious dissent as distinct from the mainstream beliefs and directed against both the foreign occupier and the priestly establishment. This book offers the methodological framework for the analysis of the

religious dissent mindset which it considers a recurrent historical phenomenon that may play a major role in different periods and cultures In this respect its findings are also relevant to the rise of religious violence in the world today and provide further insights into its persistent motives and paradigms Religious Dissent in the Roman Empire is an important study for people interested in Roman and Jewish history religious psychology and religious extremism cultural interaction and the roots of violence

Philippians for the Practical Messianic J. K. McKee, 2007-01-01 The letter of Paul to the Philippians is a frequently overlooked and disregarded text in the Bible by today s Messianic community yet it speaks so profoundly to many of the spiritual issues we are facing or will undoubtedly be dealing with in the near future Perhaps with the most Roman character of any other book of the Apostolic Scriptures New Testament save Paul s letter to the Romans Philippians invites us into a community of First Century Believers on their own in the Roman colony of Philippi These people are surrounded by neighbors who are hostile to both Judaism and the gospel message of Messiah Yeshua Their numbers are few but the Apostle Paul is able to consider them his close and affectionate friends and seldom has a negative word for them The Philippians are generous to his ministry work and Paul has strong feelings for their well being and calling in the Lord The Epistle to the Philippians presents us with many theological and social questions that cannot be avoided by anyone who reads it Above all things the Apostle Paul places Yeshua the Messiah Jesus Christ at the center of his life and urges his Philippian brothers and sisters to do the same He urges the Philippians to be kind generous and significantly different from their neighbors He urges them to show humility and to be about the supreme service of the gospel even unto death He urges unity in the assembly and that all demonstrate God s love to others He affirms the mystery of both the Divinity and humanity of Yeshua Paul also recognizes the value of women in the local congregation as servants and leaders For the modern Messianic Philippians gives us a definitive example of how small fellowships and congregations on their own should function in addition to the huge questions of how we must have a global vision that recognizes the virtues of other ethnicities and cultures while still maintaining an Hebraic view of the Scriptures and God s mission In the commentary Philippians for the Practical Messianic TNN Online editor J K McKee addresses many of the avoided issues that

this text asks Messianic Believers He takes into account the First Century Jewish and Roman background of Paul's letter He also considers the large amount of intertextual references that Philippians makes to the Tanach Old Testament deeply embedded in Paul's vocabulary and mannerisms Most importantly he considers the centrality of Yeshua and His completed work for Paul and how all human achievements pale in comparison to who He should be for us as born again Believers who have experienced His transforming power Also included in this commentary is an exposition on Acts 16:6-40 Paul's visit to Philippi
