Qualitative Research in Nursing and Healthcare Immy Holloway, Kathleen Galvin, 2016-09-26 *Qualitative Research in Nursing and Healthcare* is an invaluable resource for those who carry out qualitative research in the healthcare arena. It is intended to assist Professionals and academics in the healthcare field who undertake or teach research in clinical or educational settings. Postgraduates who are undertaking qualitative research and want to revise qualitative research approaches and procedures before going on to more specialist texts and Undergraduates in their last year who wish to learn about qualitative perspectives or carry out a project using these approaches. Fully updated from the earlier editions by Holloway and Wheeler it reflects recent developments in nursing research. This new edition provides clear explanations of abstract ideas in qualitative research as well as practical procedures. Structured into four sections the book looks at the initial stages, methods of data collection, qualitative approaches and analysis of collected data. It also contains a chapter on writing up and publishing qualitative research. With applied and practical examples throughout. *Qualitative Research in Nursing and Healthcare* is essential reading for those who are looking for a comprehensive introduction to qualitative research.

Introduction to Data Science for Social and Policy Research Jose Manuel Magallanes Reyes, 2017-09-21 This comprehensive guide provides a step by step approach to data collection, cleaning, formatting and storage using Python and R.

Managing Applied Social Research Darlene F. Russ-Eft, Catherine M. Sleezer, Gregory Sampson Gruener, Laura C. Leviton, 2017-10-30 Essential management guidance for real world applied research projects. *Managing Applied Social Research* equips you with the skills, strategies and knowledge you need to effectively manage research projects. Written by a team of nationally known researchers, this book covers the systematic management of applied social research studies from soup to nuts, providing researchers with an easy to follow process and the tools and templates for improving the quality, ethical conduct and usefulness of the final products. The authors merge expertise adapted from the field of project management with their decades of experience in using established research methodologies and practices to offer readers practical examples and insights gleaned from major research houses such as Rand Urban Institute, Mathematica, American Institutes for Research and others. Key concepts and methodologies are systematically unpacked with detailed discussion of both theoretical bases and practical applications in the field. Written in plain English, the case studies and vignettes illustrate typical approaches to different scenarios and the checklists, templates and other tools provide guides for action. Starting from basic social research strategies, you will build an understanding of applied research issues and how projects are best managed in a messy, imperfect world. From conceptualization and proposal through implementation, analysis and reporting, this book helps you lead your projects to success. Learn the skills and concepts necessary to effectively manage applied research projects for the social science disciplines. Anticipate and prepare for common challenges and obstacles. Understand the various roles and their requisite tasks and responsibilities. Learn strategies for making effective decisions about a study.

scope work schedule people budget and risks during each phase of the research study Social science research is an essential well of information upon which society is run Proper management is the key to any research project s success and success becomes more critical in the field given the potential ramifications in terms of policy and its effects on real everyday people Managing Applied Social Research provides sound guidance and expert insight with an essential real world focus

Handbook of STEM Faculty Development Sandra M. Linder, Cindy M. Lee, Shannon K Stefl, Karen A.
