

Sasol Sponsorship Guidelines

To be considered for sponsorship, you are required to submit a proposal which should clearly introduce your organisation and relevant background. It should present a logical, well-researched rationale for sponsorship of your event or project.

Sasol receives many requests for sponsorship every month and, unfortunately, we are unable to sponsor all requests. It is therefore important that you provide us with as much information as possible to allow us to fully assess your request. Your proposal should be considered a business document and should be professionally presented in terms of both content and layout.

Sponsorship proposal

Sasol will only accept written proposals. We receive requests for a variety of sponsorships from across South Africa and internationally. We have established criteria in place against which we evaluate each proposal we receive. By providing all of the information requested below, you will improve your chances of receiving a prompt response.

Please note that the following sponsorship criteria are for sponsorships of a **non-charitable nature**. If yours is a request for a **corporate donation** or a request of a charitable nature, please click here for more information on **Sasol's Corporate Social Investment criteria**.

These sponsorship criteria have been developed to ensure that Sasol establishes sponsorship relationships that will be beneficial to both Sasol and the recipient organisation.

Sasol sponsorship criteria

Projects or organisations seeking sponsorship must conform to the following criteria. The project or event must:

- Align with the Sasol brand characteristics – dynamic, ambitious, innovative, reliable, inspiring and dedicated
- Create positive exposure for the Sasol brand. (Sasol generally only pursues sponsorship opportunities that clearly enhance its brand)
- Inspire creativity
- Create unique hospitality experiences
- Provide exclusive customer relationship-building opportunities
- Create a platform to deliver unique and compelling experiences for Sasol stakeholders
- Provide Sasol with a clearly delineated and distinctive role with tangible benefits associated with the partnership
- The total benefit and value of the sponsorship to Sasol must exceed the total cost that Sasol is expected to contribute
- The event or programme must have the potential to create long-term value, i.e. be a sustainable activity over an extended period of time with the potential for ongoing partnerships
- Have the ability to reach targeted audiences and build relationships with stakeholders
- Be a national or international activity
- The event or programme must demonstrate innovation and excellence, and be at the leading edge in any technical aspects.
