

How to Write a Précis

In essence, a *précis* is a concise summary of some other written work, and it should demonstrate your understanding of the original text while also conveying the meaning of that text to your own readers. You'll need to follow a fairly rigid structure when writing a *précis*, and you'll also need to know the text you're writing about with considerable thoroughness before you can write an accurate *précis* around it.
