Understanding West Africa's Ebola Epidemic Ibrahim Abdullah, Ismail Rashid, 2017-10-15 From 2013 to 2015 over 11 000 people across West Africa lost their lives to the deadliest outbreak of the Ebola virus in history Crucially this epidemic marked the first time the virus was able to spread beyond rural areas to major cities overturning conventional assumptions about its epidemiology With backgrounds ranging from development to disease control the contributors to this volume some of them based in countries affected by the Ebola epidemic consider the underlying factors that shaped this unprecedented outbreak While championing the heroic efforts of local communities and aid workers in halting the spread of the disease the contributors also reveal deep structural problems in both the countries and humanitarian agencies involved which hampered the efforts to contain the epidemic Alarming they show that little has been learned from these events with health provision remaining underfunded and poorly equipped to deal with future outbreaks Such issues they argue reflect the wider challenges we face in tackling epidemic disease in an increasingly interconnected world

Raised from the Dead According to Scripture Lidija Novakovic, 2014-05-29

The New Testament writings allow only limited access to the interpretative traditions that lie beneath the claim that Jesus resurrection took place according to Scripture This book investigates the underlying principles of scriptural arguments in relation to Jesus resurrection and the unstated interpretative moves that govern the selection and combination of texts

relating to it Novakovic's working hypothesis is that the Davidic tradition supplied the primary scriptural categories for the claim that Jesus was raised from the dead according to Scripture. This tradition was appropriated through two major thematic trajectories: resurrection as the fulfillment of Davidic promises and resurrection as the messianic enthronement. We can also identify several related thematic trajectories such as the concept of the resurrection as the beginning of the new creation, resurrection as the prophetic authentication, and resurrection as the messianic rebuilding of the temple. Each thematic block is based on a specific use of Scripture for the purpose of explaining the significance of Jesus' resurrection.

A Rainy Season Nnaziri Ihejirika, 2014-08-05. It is the rainy season of 1998. An autocratic and corrupt ruler has just died in the arms of courtesans at the presidential villa, leaving one hundred million citizens of Africa's most populous country in comingled states of joy, grief, and uncertainty. Through the eyes of eight fictional characters, *A Rainy Season* tells the story of Nigeria's latest journey to democracy. Hamed, the government contractor; Ekei, the desperate fashionista; Jude, the underground radical; Kurdi, the womanizing pastor; Tamara, the ambitious divorcee; Elechi, the inquisitive schoolboy; Mutiu, the disillusioned guard; Nonye, the blossoming idealist. The sprawling metropolis of Lagos is the junction where their stories intersect. In this most chaotic of cities, they are as divided by ethnicity, religion, gender, and social class as they are united by a desire to survive at any cost.

Jesus the Seer Ben Witherington (III), 2014-10. Increasingly, scholars recognize that prophetic traditions, expressions, and experiences stand at the heart of most religions in the ancient Mediterranean world. This is no less true for the world of Judaism and Jesus. Ben Witherington III offers an extensive cross-cultural survey of the broader expressions of prophecy in its ancient Mediterranean context, beginning with Mari, moving to biblical figures not often regarded as prophets: Balaam, Deborah, Moses, and Aaron, and to the apocalyptic seer in postexilic prophecy, showing that no single pattern describes all prophetic figures. The consequence is that different aspects of Jesus' activity touch upon prophetic predecessors: his miracles on Elijah and Elisha, his self-understanding as the Son of Man on Daniel and 1 Enoch, his warnings of woe and judgment on the writing prophets in Judean tradition, and his messianic entry into Jerusalem on Zechariah 9. Witherington also surveys the phenomenon of apocalyptic prophecy in early Christianity, including Paul, Revelation, the Didache, Hermas, and the Montanist movement. *Jesus the Seer* is a worthy complement to Witherington's other volume on Jesus, *Jesus the Sage*. Fortress Press, 2000.

The critical question of the relationship between Jesus and Paul has been well established in New Testament studies for over 150 years and it needs to be addressed with all the tools of historical criticism that scholarship has developed So states GerrySchoberg at the beginning of this new and important work that does just that By coupling comparative instances in the gospels and the works attributed to Paul Schoberg invites the reader to enquire more profoundly than in past studies as to the nature of the relationship between Jesus and the most dramatic of Christian converts At the heart of this study is not only the question of whether the New Testament truly gives a unified vision of the Christian movement but also how the early

Josua und Salomo Christa Schäfer-Lichtenberger, 2014-09-03 Josua und Salomo puts forward the thesis that the literary figure of the successor was created by circles who strongly relied on the book of Deuteronomy In order to construct the ideal of a successor they used the characters of Joshua and Solomon and implemented the results of their theological reflection which were unleashed by the complete destruction of the pre exilic political social and religious organization of the nation The figure of Joshua combines all the traits of their theological conception of an ideal political leader whereas the figure of Solomon demonstrates the dangers which are implied in monarchical succession From the theological perspective of deuteronomism Solomon and Joshua are opposite characters The deuteronomic concepts of God and authority play a central role for the reflection on both characters
