Rethinking Hell Readings In Evangelical Conditionalism:

Rethinking Hell Christopher M. Date, Joshua Anderson, Gregory Stump, 2014-04-15 Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever But is this what the Bible truly teaches Do Christians need to rethink their understanding of hell In the late twentieth century a growing number of evangelical theologians biblical scholars and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality This view contends that the unsaved are resurrected to face divine judgment just as Christians have always believed but due to the fact that immortality is only given to those who are in Christ the unsaved do not exist forever in hell Instead they face the punishment of the second death an end to their conscious existence This volume brings together excerpts from a variety of well respected evangelical thinkers including John Stott John Wenham and E Earl Ellis as they articulate the biblical theological and philosophical arguments for conditionalism These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell As more and more people open their minds to rethink the doctrine of final punishment this book will be a valuable resource and reference I wish it had been available when I did my own research This volume is extensive inclusive and impressive in scope and approach I am delighted to endorse it A book for our time it should enjoy great success Edward Fudge author of *The Fire That Consumes* This volume is to be welcomed and recommended for its usefulness in gathering together some of the most significant contributions from leading scholars and preachers who question whether the eternal conscious punishment of the wicked is a correct interpretation of the biblical teaching I Howard Marshall Professor Emeritus of New Testament University of Aberdeen Scotland Because the case for annihilationism is generally not well understood this expertly chosen selection from often difficult to find writings along with helpful introductory essays will be immensely valuable to the church Everyone regardless of their current understanding can welcome this historical and biblical resource that will make fruitful dialogue more possible than ever Terrance Tiessen Professor Emeritus of Systematic Theology and Ethics Providence Theological Seminary Colorado Those who read this book either will be challenged to reconsider their views about the traditional teachings of the church on hell or they will be convinced that the conditionalist view of hell is the right biblical teaching Claude F Mariottini author of *Rereading the Biblical Text* *Rethinking Hell* is a much needed compendium of classic and contemporary defenses of conditional immortality a view that offers a welcome alternative to universalism and the traditional concept of eternal conscious torment Bringing together about twenty proponents of conditionalism theologians biblical scholars and philosophers *Rethinking Hell* is destined to be the definitive sourcebook on the topic for years to come Highly recommended James S Spiegel author of *The Benefits of Providence* Christopher M Date is the principal blogger and podcaster of the *Rethinking Hell* project and works as a software engineer in the Pacific Northwest Gregory G Stump is a graduate of Fuller Theological Seminary and serves as a pastor at a Baptist church in Southern

California Joshua W Anderson earned an MA in Philosophy from Talbot School of Theology and an MA in Theology from Fuller Theological Seminary he teaches apologetics and theology at Ecclesia College in Springdale Arkansas **Rethinking Hell** Christopher Date, Gregory Stump, Joshua Anderson, 2014-04-15 Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever But is this what the Bible truly teaches Do Christians need to rethink their understanding of hell In the late twentieth century a growing number of evangelical theologians biblical scholars and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality This view contends that the unsaved are resurrected to face divine judgment just as Christians have always believed but due to the fact that immortality is only given to those who are in Christ the unsaved do not exist forever in hell Instead they face the punishment of the second death an end to their conscious existence This volume brings together excerpts from a variety of well respected evangelical thinkers including John Stott John Wenham and E Earle Ellis as they articulate the biblical theological and philosophical arguments for conditionalism These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell Peter S Grice Igniting an Evangelical Conversation Glenn A Peoples Introduction to Evangelical Conditionalism Edward W Fudge The Final End of the Wicked Stephen H Travis The Nature of Final Destiny John R W Stott Judgment and Hell Clark H Pinnock The Destruction of the Finally Impenitent John W Wenham The Case for Conditional Immortality Basil F C Atkinson The Doom of the Lost E Earle Ellis New Testament Teaching on Hell Ralph G Bowles Does Revelation 14 11 Teach Eternal Torment Harold E Guillebaud The General Trend of Bible Teaching Anthony C Thiselton Claims about Hell and Wrath Philip E Hughes Is the Soul Immortal Henry Constable Divine Justice Christopher D Marshall Divine and Human Punishment in the New Testament Nigel G Wright A Kinder Gentler Damnation Richard G Swinburne The Future of the Totally Corrupt Kim G Papaioannou The Development of Gehenna Between the Old and New Testaments LeRoy E Froom Conditionalism in the Early Church Evangelical Alliance Hell and Evangelical Unity Roger E Olson Diverse Christian Beliefs About Life Beyond Death Ben Witherington III Equally Orthodox Christians *The Resurrection of Immortality* Mark S. McLeod-Harrison, 2017-07-31 If humans are not capable of immortality then eschatological doctrines of heaven and hell make little sense On that Christians agree But not all Christians agree on whether humans are essentially immortal Some hold that the early church was right to borrow from the ancient Greek philosophers and to bring their sense of immortality to bear on the interpretation of biblical passages about the afterlife Others however suggest that we are inherently mortal and only conditionally immortal This latter view is usually associated with an annihilationist interpretation of the doctrine of hell and a rejection of eternal torment In a philosophical analysis and argument McLeod Harrison proposes that humans are indeed immortal but not essentially so But neither are we immortal accidentally or conditionally Instead immortality is an enduring property a property we cannot lose once created McLeod Harrison carefully delineates the sense of immortality he defends and provides a broadly Christian

philosophical argument for it The argument if correct leaves the recent suggestion that the unredeemed are annihilated on unsteady metaphysical feet However McLeod Harrison does not defend eternal conscious punishment for the unredeemed but suggests some ways to think about the possibility of a universal salvation **The Source of Hope** John S.

Hammett,2025-08-01 In The Source of Hope John Hammett crafts a detailed and accessible introduction to the discipline of eschatology Centre for Christian Living Annual 2018 Tony Payne,Sam Allberry, Karina Brabham,Tim Challies,Tim Chester, Susan Duc,Stephen Gibbins,Os Guinness,David Höhne,Phillip Jensen,Kelly Kapic,William Quach,Dani Treweek,Scott Williams,Paul Williamson,2019-02-27 How should we deal with our guilt and shame How should we think about freedom What is Spirit inspired Christian living How does our understanding of hell affect the way we live the Christian life The Christian gospel transforms every aspect of our lives If we don t understand that we don t understand Christianity The Centre for Christian Living which operates out of Moore Theological College in Sydney aims to bring biblical ethics to everyday issues taking the theology and knowledge of God and showing how it shapes and directs every aspect of our daily lives To that end we have compiled this annual which collects some of the material from our activities during 2018 essays from our public events highlights from our podcast and articles by members of our student team at Moore College Our hope is that you will find this collection helpful and encouraging as you live out the Christian life Can I Believe? John G.

Stackhouse Jr.,2020-08-21 Maybe Christianity is actually true Maybe it is what believers say it is But at least two problems make the thoughtful person hesitate First there are so many other options How could one possibly make one s way through them to anything like a rational and confident conclusion Second why do so many people choose to be Christian in the face of so many reasons not to be Christian Yes many people grow up in Christian homes and in societies but many more do not Yet Christianity has become the most popular religion in the world Why This book begins by taking on the initial challenge as it outlines a process how to think about religion in a responsible way rather than settling for such soft vagaries as faith and feeling It then clears away a number of misunderstandings from the basic story of the Christian religion misunderstandings that combine to domesticate this startling narrative and thus to repel reasonable people who might otherwise be intrigued The second half of the book then looks at Christian commitment positively and negatively Why do two billion find this religion to be persuasive thus making it the most popular explanation of everything in human history At the same time how does Christianity respond to the fact that so many people find it utterly implausible especially because so many Christians insist that theirs is the only way to God and because of the problem of evil that seems to undercut everything Christianity asserts Grounded in scholarship but never ponderous Can I Believe refuses to dodge the hard questions as it welcomes the intelligent inquirer to give Christianity at least one good look The Palgrave Handbook of the Afterlife Yujin

Nagasawa,Benjamin Matheson,2017-10-12 This unique Handbook provides a sophisticated scholarly overview of the most advanced thought regarding the idea of life after death Its comprehensive coverage encompasses historical religious

philosophical and scientific thinking Starting with an overview of ancient thought on the topic The Palgrave Handbook of the Afterlife examines in detail the philosophical coherence of the main traditional notions of the nature of the afterlife including heaven hell purgatory and rebirth In addition and breaking with traditional conceptions it also explores the most recent exciting advance digital models Later sections include analysis of various possible metaphysical accounts that might make sense of the afterlife including substance dualism emergent dualism and materialism and the science of near death experiences as well as the links between human psychology and our attitude to the afterlife Key features Grounded in the most advanced philosophical theological and scientific thinking Contributions by eminent scholars from the world s top universities Balanced treatment of fundamental issues that are relevant to everyone Diverse approaches ranging from the religious to the scientific from the optimistic to the pessimistic A major section on the meaning of the afterlife which includes chapters on fear purpose evil and issues regarding identity The Palgrave Handbook of the Afterlife is essential reading for scholars researchers and advanced students researching attitudes to and effects of beliefs about death and life after death from philosophical historical religious psychological and scientific perspectives Confronting the Predicament of Belief James W. Walters, Philip Clayton, Steven Knapp, 2020-09-11 Instead of suppressing doubts about religious claims what if we engage them head on Imagine theologians who welcome the uncomfortable questions rather than immunizing their proposals from criticisms What happens when discussions of the deepest issues God and science faith and doubt suffering and evil death and resurrection are guided by the real life challenges of believing and living in today s world The probing queries and constructive replies published here for the first time invite you into the living experience of doubt and faith the spiritual quest of our age They invite readers to consider not only what they believe but also how they hold their beliefs and what they do with them in everyday life *Practicing Prayer for the Dead* James B. Gould, 2016-11-04 Throughout history Christians have prayed for the dead This book challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well Gould discusses the meaning of prayer for final consummation of all things growth of the blessed in heaven purification of the imperfect in purgatory and salvation of the unsaved in hell identifying the necessary conception of the afterlife required by each particular prayer He also reflects on the spiritual value of prayer for the departed how it enhances faith builds hope and sharpens discipleship and provides some sample prayers for public liturgy and private devotion In essence Practicing Prayer for the Dead offers an outline of theology from the perspective of death arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned **The Fourfold Gospel, Volume 2** John DelHousaye, 2021-10-08 In the spirit of Ludolph of Saxony c 1295 1378 and Ignatius of Loyola 1491 1556 The Fourfold Gospel invites the reader into the mystery of God s redemption in Jesus Christ All

the parallel passages in the Gospels are glossed together along with the unique material using a medieval interpretive approach called the Quadriga or the acronym PaRDeS in Hebrew Meditating on the literal canonical moral and theological senses of Scripture offers a scaffolding for the spiritual formation of the reader This volume focuses on the summoning and purgative stage of discipleship the Sermon on the Mount as well as participating in Christ's healing of creation

Christianity and the Problem of Evil Larry Lacy, 2021-12-16 This book deals with the problem of evil that the Christian faith faces Is the Christian faith which affirms that there exists a God who is omniscient omnipotent and perfectly good improbable given the horrendous evils encountered by some in this life and is the Christian faith improbable given the evils the Christian faith affirms for some in the age to come eternal judgment and eternal punishment Some reflective persons see the problem of these eschatological evils as the most serious challenge to the reasonableness of the Christian faith I argue that once we become clear about what the New Testament teaches about each of these eschatological evils a way is opened up to show that it is not improbable for us that each of these teachings of the New Testament is fully consistent with the perfect goodness of God I then argue that the doctrines of eternal judgment and eternal punishment properly understood open up an important resource for dealing with the problem that the grave evils of this life create for the Christian doctrine of the omniscience omnipotence and perfect goodness of God

Image, Incarnation, and Christian Expansivism Mark S. McLeod-Harrison, 2017-04-17 I am the way the truth and the life says Jesus Yet the kingdom of heaven consists of all tribes races and peoples How do people of tribes who've never heard the word of Christ enter the kingdom of God A strictly exclusivist account of the gospel seems to keep many people out of the kingdom of heaven An inclusivist approach is more consonant with Scripture and the love of God Yet standard models of inclusivism are problematic In this book McLeod-Harrison a Christian philosopher considers what's wrong with both narrow exclusivist and narrow inclusivist accounts of the gospel and proposes a broad inclusivism called expansivism An expansive account of the gospel helps us understand the uniqueness and the openness of the gospel together Narrow exclusivism can lead to existential crises Narrow inclusivism appears to make not preaching the gospel better for those who've never heard it Expansivism makes human access to the gospel unique to the individual person and enables Christian theologians to provide lots of different potentially conflicting and yet true accounts of the theological underpinnings of the salvation provided by Christ

Christian Theology Adam Harwood, 2022-10-19 The church has been entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction Adam Harwood's Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why

T&T Clark Handbook of Analytic Theology James M. Arcadi, James T. Turner, 2021-01-28 This handbook provides theological and

philosophical resources that demonstrate analytic theology's unique contribution to the task of theology. Analytic theology is a recent movement at the nexus of theology, biblical studies, and philosophy that marshals resources from the analytic philosophical tradition for constructive theological work. Paying attention to the Christian tradition, the development of doctrine, and solid biblical studies, analytic theology prizes clarity, brevity, and logical rigour in its exposition of Christian teaching. Each contribution in this volume offers an overview of specific doctrinal and dogmatic issues within the Christian tradition and provides a constructive conceptual model for making sense of the doctrine. Additionally, an extensive bibliography serves as a valuable resource for researchers wishing to address issues in theology from an analytic perspective.

1-2 Thessalonians Nijay K. Gupta, 2016-07-12 In the first century the Thessalonian church grieved deaths in their community, endured harsh persecution, and struggled with questions about the future. Paul offered them the comforts and reassurances of hope in the Messiah Jesus. But he offered far more than wishful thinking or pie in the sky comfort. Paul's emphasis on hope in the Messiah Jesus involved capturing a vision of God's redeemed and just future in order to see and live faithfully today. Paul did not believe in a passive hope but an active hope where if the Day of the Messiah is a beacon, believers set their course and diligently move toward it. That diligence is especially captured by love for Christian brothers and sisters, commitment to honest and productive work, and obedience to the truth of the gospel of Lord Messiah Jesus.

Dictionary of Paul and His Letters InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work, topics like Christology, justification, and hermeneutics receive careful treatment by trusted specialists. New topics like politics, patronage, and different cultural perspectives expand the volume's breadth and usefulness for scholars, pastors, and students today.

Theodicy of Love John C. Peckham, 2018-11-06 If God is all powerful and entirely good and loving, why is there so much evil in the world? Based on a close canonical reading of Scripture, this book offers a new approach to the challenge of reconciling the Christian confession of a loving God with the realities of suffering and evil. John Peckham offers a constructive proposal for a theodicy of love that upholds both the sovereignty of God and human freedom, showing that Scripture points toward a framework for thinking about God's love in relation to the world.

The God Who Trusts Wm. Curtis Holtzen, 2019-12-10 The Bible resounds with affirmations that God is faithful and trustworthy. But might he also exhibit faith and trust? Wm. Curtis Holtzen contends that because God is a being of relational love and exists in relationship with humans, then God is a God who trusts. Holtzen argues that understanding the relationship between divine trust and human faith can give us a fuller, truer picture of who God is and who we are.

Redeeming Pleasure Jeremy Jernigan, 2015-09-15 Jeremy Jernigan, pastor of the twelve thousand member Central Christian Church in Phoenix, Arizona, shows readers how to redeem pleasure from a culture that abuses it in ways God never intended.

McMaster Journal of Theology and Ministry: Volume 18, 2016-2017 David J. Fuller, 2018-06-20 The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors, educators, and interested lay persons with the fruits of

theological biblical and professional studies in an accessible form Published by McMaster Divinity College in Hamilton Ontario it continues the heritage of scholarly inquiry and theological dialogue represented by the College s previous print publications the Theological Bulletin Theodolite and the McMaster Journal of Theology

Adopting the Tune of Term: An Psychological Symphony within **Rethinking Hell Readings In Evangelical Conditionalism**

In some sort of eaten by monitors and the ceaseless chatter of fast communication, the melodic splendor and mental symphony created by the published word usually fade in to the back ground, eclipsed by the persistent sound and disruptions that permeate our lives. Nevertheless, located within the pages of **Rethinking Hell Readings In Evangelical Conditionalism** a charming fictional treasure full of fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that charming masterpiece conducts viewers on an emotional journey, well unraveling the hidden tunes and profound impact resonating within each carefully constructed phrase. Within the depths of this emotional analysis, we will explore the book is key harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
