

RETIREMENT READINESS

The background of the entire slide is a photograph of a desert landscape. A two-lane asphalt road with yellow center lines winds through the scene, starting from the bottom left and curving towards the upper right. The terrain is arid, with sparse green and brown shrubs and patches of dry grass. In the background, there are prominent red rock hills or mountains under a clear, bright blue sky. The overall mood is one of a long, open road ahead, which metaphorically represents the journey of retirement.

Retirement Readiness Your Roadmap To A Successful Journey:

Retirement Readiness: Your Roadmap to a Successful Journey Terry DuPont, 2014-12-12 Money represents more than the paper it's printed on. It may be the embodiment of your time, your talents, and your commitments. It buys the food you eat, the house you sleep in, the car you drive, and the clothes you wear. When the time comes for retirement, you want your money to provide you with a comfortable lifestyle and stable income after your working days are done. The truth is that it takes more than just money to fulfill those needs and desires. Your income, your plans for retirement, your future healthcare expenses, and the continued accumulation of your assets after you stop working and drawing a paycheck all rely on one thing: You.
