Church ,1961      **Triumph and Terror** Jean Staudinger,2002 Triumph and Terror Revelation D the Truth for End Times is a Study Guide appropriate as a resource for Christians of all denominations The goal of the Study is to strengthen readersO faith and understanding as well as to challenge and stimulate the thinking of all who seek It aims to provide a straightforward uncomplicated narration of our LordOs glorious Revelation The writing of Triumph and Terror is presented in a chapter by chapter commentary dealing concisely with each and every verse Comments critical to the readerOs understanding are carefully supported by and referenced to scripture moreover to simplify the reading for young Christians and impatient seekers quite often the referred scripture is quoted Seldom does the manuscript allow supposition The Study is strengthened and enhanced by the inclusion of ten teaching appendices a ten page glossary of terms and a brief synopsis at the beginning of each chapter The approach is intentionally direct and the language written simply so that it is appropriate for the lay reader Prayerfully the writer has attempted to coherently unravel the mysteries of the Revelation and clearly present the ideas and themes that are complex and interwoven The simplicity of the Study responds to a pressing need in both the Christian and secular world never before has there been such urgent seeking for answers as to what the future holds for humankind In some instances the Study confirms currently accepted theological ideology however in other areas it opens discussions never before pursued It carefully documents through scripture and historical records the answers to questions that are as old as Daniel while opening insight into passages which have generally been avoided by most scholars Through consistent use of scripture it informs and challenges teachings that have hitherto been unchallenged      **All Power to the Lamb** James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary

also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age I Saw the World End William C. Barber,2004-03-04 **NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr. Robert R. Seyda,2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One Rain in Due Season F. McKim,2008-01-01 It s hard to be the only one That single sentence from a teenage congregant sums up the conviction that motivated Christian Theology for a Secular Society In these dying days of Christendom the reality that most Western Christians face is living out their faith as a minority in the midst of a culture that is at every level personal institutional and societal secular in nature While most living in Western societies still affirm belief in God and often other vaguely recognizable Christian beliefs these affirmations frequently have little to do with how daily life is lived The idea that the God best known to us in Jesus Christ is actually in charge of life is foreign For most Christianity simply does not form an overarching system of meaning that shapes life Instead life is lived largely without reference to God And to live any other way is often hard In this volume Mark McKim sets out to do theology in this context How does one explain the core historic Christian doctrines in a way that makes sense in a secular culture and in a way that will gain a hearing What does it mean to be the church in this new situation Throughout McKim asks the question so what as

he relates Christian teachings to a secular society and to what is actually happening in the local church McKim's goal is to enable the singing of the Lord's song in the new and strange land of a secular society [Big Idea Sermons](#) Paul Cannings, 2018-03-01 The pastor's life never goes as one would imagine it The highs are much greater and heartfelt than you anticipate the anxiety and stress are deeper and last longer than you expect Add to this mix the possibility of working a full time job in addition to pastoring and you can see why a pastor's time is in such great demand What if you could hold in your hand a resource that would jump start your sermon writing process allowing you to save time and still deliver a trustworthy sermon Dr Paul Cannings once a young pastor himself remembers the days of struggling to balance it all Now he has written a helpful guidebook that provides everything a pastor or lay teacher needs to write an effective moving and biblically sound sermon for each of the fifty two weeks in the year In [Big Idea Sermons](#) Dr Cannings clearly lays out the key components of a good sermon by including sermon outlines series background information illustrations holiday messages for Thanksgiving Christmas Mother's and Father's Day and more He also includes references to the Hebrew and Greek texts for further validation By working with the original languages Dr Cannings proclaims the gospel in a clear engaging and trustworthy manner Pastors preachers lay teachers and anyone in position to preach a sermon or teach a lesson [Big Idea Sermons](#) is here to help All that you need to write a good sermon is included Be sure to read meditate and pray so you may use this resource wisely and effectively **Recording for the Blind & Dyslexic, ...
