From Aphra Behn to Fun Home Carey

Purcell,2019-12-04 Theatre has long been considered a feminine interest for which women consistently purchase the majority of tickets while the shows they are seeing typically are written and brought to the stage by men Furthermore the stories these productions tell are often about men and the complex leading roles in these shows are written for and performed by male actors Despite this imbalance the feminist voice presses to be heard and has done so with more success than ever before In *From Aphra Behn to Fun Home A Cultural History of Feminist Theatre* Carey Purcell traces the evolution of these important artists and productions over several centuries After examining the roots of feminist theatre in early Greek plays and looking at occasional works produced before the twentieth century Purcell then identifies the key players and productions that have emerged over the last several decades This book covers the heyday of the second wave feminist movement which saw the growth of female centric theatre groups and highlights the work of playwrights such as Caryl Churchill Pam Gems and Wendy Wasserstein Other prominent artists discussed here include playwrights Paula Vogel Lynn and Tony award winning directors Garry Hynes and Julie Taymor The volume also examines diversity in contemporary feminist theatre with discussions of such playwrights as Young Jean Lee and Lynn Nottage and a look toward the future Purcell explores the very nature of feminist theater does it qualify if a play is written by a woman or does it just need to feature strong female characters as well as how notable activist work for feminism has played a pivotal role in theatre An engaging survey of female artists on stage and behind the scenes *From Aphra Behn to Fun Home* will be of interest to theatregoers and anyone interested in the invaluable contributions of women in the performing arts

Purdum, 2018-04-03

A revelatory portrait of the creative partnership that transformed musical theater and provided the soundtrack to the American Century They stand at the apex of the great age of songwriting the creators of the classic Broadway musicals Oklahoma Carousel South Pacific The King and I and The Sound of Music whose songs have never lost their popularity or emotional power Even before they joined forces Richard Rodgers and Oscar Hammerstein II had written dozens of Broadway shows but together they pioneered a new art form the serious musical play Their songs and dance numbers served to advance the drama and reveal character a sharp break from the past and the template on which all future musicals would be built Though different in personality and often emotionally distant from each other Rodgers and Hammerstein presented an unbroken front to the world and forged much more than a songwriting team their partnership was also one of the most profitable and powerful entertainment businesses of their era They were cultural powerhouses whose work came to define postwar America on stage screen television and radio But they also had their failures and flops and more than once they feared they had lost their touch Todd S Purdum's portrait of these two men their creative process and their groundbreaking innovations will captivate lovers of musical theater lovers of the classic American songbook and young lovers wherever they are He shows that what Rodgers and Hammerstein wrought was truly something wonderful The Makeover in Movies Elizabeth A. Ford, Deborah C. Mitchell, 2004-04-14 The plots of many films pivot on the moment when a dowdy girl with bad hair ill fitting outdated clothing and thick glasses is changed into an almost unrecognizable glamour girl Makeover scenes such as these are examined beginning with 1942's *Now Voyager* The study examines whether the film makeover is voluntary or involuntary whether it is always successful how much screen time it takes up where in the narrative structure it falls and how the scene is actually filmed Films with a Pygmalion theme such as *My Fair Lady* *Vertigo* and *Shampoo* are examined in terms of gender relations whether the man is content with his creation and what sort of woman is the ideal Some films publicity capitalizes on a glamorous star's choice to play an unattractive character as discussed in a chapter examining stars like Bette Davis Meryl Streep and Cameron Diaz Topics also include folk literature's Cinderella tale men as the inspiration for makeovers in teen flicks films like *Clueless* *She's All That* and *Me Natalie* and class repositioning in such movies as *Working Girl* *Pretty Woman* and *Grease* Photographs are presented in a before after format showing the change in the makeover character *Encyclopaedia of the Musical Film* Stanley Green, 1981 A basic reference book for anyone interested in musical films it contains over 1600 entries covering not only the most important actors composers lyricists directors choreographers
