Authoritative, illuminating, and beautiful, *The West Point History of the American Revolution* belongs in the library of every serious student of the American Revolution. *The Journals of Sir William Johnson's Scouts 1755 & 1756* Dennis Jay Hall, 2015-05-16 English and French documents pertaining to the building of Fort Ticonderoga. The battle of Sept 8 1755 in detail. French and English versions. Much more. Maps and Illustrations. **War on the Run** John F. Ross, 2011-04-26 Often hailed as the godfather of today's elite special forces, Robert Rogers trained and led an unorthodox unit of green provincials, raw woodsmen, farmers, and Indian scouts on impossible missions in colonial America that are still the stuff of soldiers' legend. The child of marginalized Scots-Irish immigrants, Rogers learned to survive in New England's dark and deadly forests, grasping as did few others that a new world required new forms of warfare. John F. Ross not only re-creates Rogers's life and his spectacular battles with breathtaking immediacy and meticulous accuracy but brings a new and provocative perspective on Rogers's unique vision of a unified continent, one that would influence Thomas Jefferson and inspire the Lewis and Clark expedition. Rogers's principles of unconventional war-making would lay the groundwork for the colonial strategy later used in the War of Independence and prove so compelling that army rangers still study them today. Robert Rogers, a backwoods founding father, was heroic, admirable, brutal, canny, ambitious, duplicitous, visionary, and much more like America itself. *Indian History for Young Folks* Francis Samuel Drake, 1885 [The French and Indian Wars](#) Edward Pierce Hamilton, 1962 The author reconstructs the picture of the ragged men, the battles and sieges during this long series of wars which began in the 1690s. He shows how the French colonies spanned the continent while the English lay on the seacoast and points out that the basic conflict occurred as the English desperately tried to penetrate the barrier of the Appalachians. He also discusses the controversial role of the Indian in these wars. Publisher [The World's Greatest Military Leaders](#) Martin Windrow, Francis K. Mason, 2000 The two hundred personalities described in this book have a fair claim to being the most significant in the last thousand years of military history. They include warrior kings and sultans, field marshals and ministers, tribal chiefs and junior officers. The majority of the entries are naturally concerned with field commanders but the most influential theorists and administrators, men like Clausewitz, Steuben, and Carnot, also qualify for notice inside cover. *Encyclopedia of the French and Indian War in North America, 1754-1763* Donald I.
