## Read and Score this Five Paragraph Essay, #1

Instructions: Read the essay twice. Then, use the rubric to score the essay.

Prompt: Heroes are people that we admire because they have done difficult things well and have good morals and character. Write an essay that names your hero and explains why he/she is your hero.

"We're ready for take-off!" This is what you may have heard if you were riding in my great-grandfather's plane during World War II. Jay was an Air Force pilot whose job was to fly Generals from place to place. My great-grandfather, Jay, is my hero because he was brave, hard-working, and kind to his children.

First, my great-grandfather, Jay, was brave. One time, his plane was being shot at but he stayed calm and kept flying. He went to a warzone and did his job well. Jay kept his cool one time when his plane began to overheat and almost crashed. I love hearing stories about the bravery of my great-grandfather!

Second, my great-grandfather was a hard worker. He had to work very hard to become a pilot. In fact, he spent two years in training to learn the job. He had to have two jobs after he retired from the military to support his family. Jay always maintained his own home and never hired help. I can't imagine anyone working harder than him!

Finally, Jay was always kind to his children. He took his son (my dad) fishing twice per month. He spent a lot of time helping both his son and daughter learn how to maintain the family car. He taught them how to change the oil, check the wiper blades, and change tires. My great-grandfather was always around to help and give advice. Jay was a kind man and that kindness has become a standard in my family.

My great-grandfather, my hero, was an amazing man because he was courageous and fearless, a good worker, and treated his children with kindness. All I have now are stories about my great-grandfather and pictures of him but his kindness and bravery will live on through me!

### Sample 5 Paragraph Essay 5th Grade:

*Informal Assessment and Instruction in Written Language* Nancy Mather, Rhia Roberts, 1995      *Demystifying Academic Writing* Zhihui Fang, 2021-04-15 Informative insightful and accessible this book is designed to enhance the capacity of graduate and undergraduate students as well as early career scholars to write for academic purposes Fang describes key genres of academic writing common rhetorical moves associated with each genre essential skills needed to write the genres and linguistic resources and strategies that are functional and effective for performing these moves and skills Fang's functional linguistic approach to academic writing enables readers to do so much more than write grammatically well formed sentences It leverages writing as a process of designing meaning to position language choices as the central focus illuminating how language is a creative resource for presenting information developing argument embedding perspectives engaging audience and structuring text across genres and disciplines Covering reading responses book reviews literature reviews argumentative essays empirical research articles grant proposals and more this text is an all in one resource for building a successful career in academic writing and scholarly publishing Each chapter features crafts for effective communication authentic writing examples practical applications and reflective questions Fang complements these features with self assessment tools for writers and tips for empowering writers Assuming no technical knowledge this text is ideal for both non native and native English speakers and suitable for courses in academic writing rhetoric and composition and language literacy education      **Resources in Education** ,1997-10      **The Applica-Phobia of College Admissions** P. J. Finer, 2007-08-28 If you are preparing to apply to colleges and universities in the United States you need this book College is one of the most expensive investment students will make Therefore helping students find the right college for them not only makes for happy students but helps parents feel more confident about the result College is not only a big decision that students have to make but it is also the foundation of their future success Students and parents are discovering that schools that a few years ago were considered second and even third tier schools have elevated their standards significantly With substantially more students applying and in some cases fewer spots available for the select colleges across the country schools are demanding higher grades and have higher test score criteria which seemingly place college out of reach The applicant pool changes annually thus nothing is carved in stone as to which students are accepted and which are not However the best chance of getting in to the school of your choice is to display your passion as to where you are headed in life starting in 9th grade High school seniors and college transfer students know how difficult it is to get into the top tier colleges today Creating a persuasive eye catching application requires creativity foresight and a marketable presentation as to what you can offer that will attract schools That is why the process has to start with a resume The student applying to college today must show schools why they are different from every other student applying If you showcase your abilities through the development of a talented resume and a strong essay admissions committees will have no choice but to fall in

love with you Students must figure out how best to present themselves to admissions committees difficulties arise when students begin feeling anxiety their parents begin applying real or perceived pressure and the student crumbles The Apphobia of College Admissions Why Getting in Starts With Your Resume is a how to guide for students navigating the Apphobia of the application process Oftentimes students dont know where to start and the entire experience becomes overwhelming This book offers a program that assists students by mapping out the plan that will best suit them The book addresses how to explore your talents skills and aspirationsto create a picture of who you are how to identify the schools that are right for you how to determine which type of application to submit early action vs early decision binding vs non binding exercises to help determine what you can bring to a college or university that will create interest ideas for essay topics a step by step guide to writing a college application essay and sample essays to get your creative juices flowing techniques you can use in the interview to convince admissions committees you are the right candidate for their schools how to put your summers and out of school time to beneficial use with internships jobs and or community service and more Students who fall under The DREAM Act and Student Adjustment Act will have an opportunity to understand this favorable bi partisan legislation and the benefits it offers them and their communities This section also includes a listing of various grants loans and scholarships for which students can apply Colleges and universities across America have one goal to get the best students that fit within their ideals thoughts and personality Your job is to figure out what those components are and how you fit inand this book will help you

Leading Effective Meetings, Teams, and Work Groups in Districts and Schools Matthew Jennings,2007 This book is packed with strategies that school and district leaders at all levels can use to run effective staff meetings inclusion teaching teams and committees or task forces
