change from their wet clothing which was normally hung under the shelter to dry out In the morning they would change from their dry clothing and put on the wet It is an uncomfortable change but one that guaranteed a good night's sleep in dry clothing The SAS Guide to Jungle Survival will teach the reader to come to terms with the jungle environment understand it and work with it as opposed to fighting it The jungle forest can provide shelter food and water in abundance and this book will show you how If the jungle offers any problems it is with disease and wild animals The SAS Guide to Jungle Survival will show you how to avoid and resist both and come out alive
