

Pontiac Muscle Cars

1973-1981

1976 Trans Am

1976 Ventura II

1977 Grand Prix

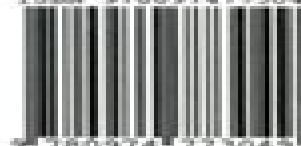

Pontiac- the leader of the performance pack. No other automobile has done more for high performance than Pontiac. In the beginning there was the GTO, and as other manufacturers were shying away from high powered big engines, Pontiac step up to the plate and hit a home run in 1973 with the 455 Super Duty. The debate may go as to what was the best car, but there is no doubt that Pontiac was the Alpha and Omega of the muscle cars.

The last of the muscle cars the 1977 Can Am

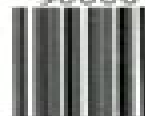

Pontiac Muscle Cars 1973-1981 is the ultimate guide in selecting, inspecting and buying used Pontiac parts. Reproduction parts are nice-but let's face it- certain parts that are going to have to be bought used. However, knowing what parts for your Pontiac can be found on other makes of cars makes the hunt for parts much easier. Armed with this knowledge can save you money. The exact same part that is used on a Trans Am will cost more than one that was used on a full-sized Pontiac. By knowing what parts will interchange, you don't have to limit your search to just one model, or one year. This guide covers all models of 1973-1981 Firebird, Grand Prix, Grand Am, LeMans, the Ventura II/Phoenix series and the limited edition Can Am, and of course the GTO.
