*Pastor & Staff Search Committee Guide* Don R. Mathis, 1998      Search William Vanderbloemen, 2016-06-15 Finding your church's pastor is as serious as an organ transplant. You need a pastor that matches your church's vision, culture, and most importantly, your church's heart. While there is no simple one-size-fits-all solution to the puzzle of planning for a seamless pastor search, this handbook was created to provide pastor search committees, church leaders, and pastors a guide to asking the right questions in order to plan for the overwhelming pastor search process. William Vanderbloemen has spent years focusing on connecting churches with pastors who fit their ministry context. Search The Pastoral Search Committee Handbook guides church members through the process of finding the right leader for their church. When a pastor leaves a church, ministries are disrupted, and members drift away. If the church is already struggling, it can find itself suddenly in very dire straits. But it doesn't have to be that way. What if, when a pastor moved on, the church knew exactly what to do to form a search committee and begin the search process for the person God is calling to lead their church? The Pastoral Search Journey John Vonhof, 2010-03-01 Most churches have sought out a new pastor many times, yet search committees often feel as though they are inventing the process from scratch. In The Pastoral Search Journey, John Vonhof provides detailed guidance for search committees to ensure a good match between pastor and congregation. This is Vonhof's third book about the pastoral search, but the first to discuss interim pastors, transitions between pastors, and the use of the Internet and digital media. Vonhof advises congregational leaders on establishing the search committee, ensuring the congregation is cared for during the pastoral vacancy, conducting the congregational self-study, and creating an information packet, finding, communicating with, and interviewing candidates, determining selection criteria, as well as evaluating and recommending candidates, managing call negotiations, and finally welcoming the congregation's new pastor. Sample letters, forms, and other tools are provided.      **A Guide to Worship Ministry** Gregory B. It is an important book for those getting started in worship ministry and a refresher for those who have years of experience in ministry.      **Church Organization~What Do I Do? A Quick Guide to Organizing Your Church** Janie Sheeley Torain, 2019-04-02 So you want to start a church.
